KOMET '79

Stephen Watts Kearny High School

7651 Wellington Street

San Diego, California 92111

The physical appearance of Kearny changes little during the years. It looks about the same now as it did five or six years ago. The 2,400 students are still going for the bigger and better things.

Although students have open campus during the lunch hour, many students continue to take advantage of the cool grass and quiet lunch court.

Baseball player Joe Vattimo spends the off-season just hanging around and enjoying lunch.

One of San Diego's beautiful sunsets ends another carefree southern California day.

Where Do Your Arrows Point?

It seems as though everyone has something they are working for. A person can spend his life trying to reach a goal and whether he makes it is up to him.

The dictionary says that to succeed means to attain the desired object or end; to be successful. Being a success can mean being rich or famous or just feeling accomplished in what you do. If a person is successful it is because they feel they are and certain standards set by other people do not apply to anyone but that person.

So, have a direction to go, an arrow to follow. Set yourself a goal and make up your mind that you are going to reach it. You will, if you really try.

Relaxing over lunch are Pat Fitzpatrick and Eileen Crawford. Pat and Eileen are just two of many Kearny students who work for their goals down at the pool.

For many, gaining success is reaching the top of a particular field. Sometimes, like these trees, the top can be pretty far up.

A popular place at lunch is the senior patio. At one time the name was strictly enforced, but now the seniors and the underclassmen share it alike.

Going here and there most often requires a car. Everyday the parking lots fill up with cars like Becky Kindig's bright yellow bug.

Going off-campus for lunch can be a refreshing break from the daily routine. Misty Durcan and Tracy Teneyck make it back just in time for their sixth period class.

Bernie San Nicolas and a pursuing classmate participated in their daily jogging. Running and conditioning have become a major part to many of the different gym classes offered.

Listening very intently, Ronnie Kirkpatrick finds it hard to believe Steve Dreher's fantastic story.

Senior class president, Sandra Paez, works diligently painting on the prize-winning senior float for the Homecoming parade.

Although school is for learning, meeting people and making friends is also an important part of education.

Lunch is not only a sandwich and milk but a time to spend with friends and enjoy pleasant conversation.

Persistance is one of the necessary things for attaining any goal. Runners jog for hours to get into condition for big races.

Kevin Almryd, Cathy Nelson, and Steve Ellis just enjoying life at Kearny.

Mr. Drain, along with many other interested students, look to see if their favorite candidates made homecoming court finals.

Make a Goal,
Set Your Mind To It,
Reach It!

Steve, Hi! How are ya doing? It has been a fun year this year. It was fun having you in my tennis and racquetball class, even you are such a lousy tennis and racquetball player. Have a great summer of "79" I hope you'll succeed in whatever you do in life. Best of luck always. Have a great life. Hope to see you at the reunion.
Take care.

UDENT LIFE

Anxiously, the homecoming court waits for the gun to sound the end of the first half, marking the beginning of the coronation ceremonies.

Sal Rillo, A.S.B. President, escorts a smiling but nervous Lori Huber onto the field where in a few moments the queen will be announced.

Winds Blow Kearny a Crystal Queen

Homecoming 1978 activities began with the coronation football game on October 20 with Kearny against Crawford.

The festivities took place during the halftime break. There were two elections, the first to narrow the number of people down, and the final election held one week before the game. With such a long wait, the finalists were under pressure. (Especially the seniors because they had an extra week of agony.) The tension built as the girls were escorted onto the field while Teri McEfee, last year's queen, greeted them. Black clouds, strong winds, and threatening skies were present as Mr. Stoffer opened the envelope and whispered the new queen's name to Teri.

Finally the waiting came to an end as the 1978 homecoming queen was crowned.

The tears begin to flow as Crystal Flake realizes that Teri McEfee (last year's queen) has just crowned her the 1978 Homecoming queen.

The 1978 Homecoming Court: Queen–Crystal Flake; Senior Attendants–Tracy Alexander and Lori Huber; Junior Attendants–Carol Clabby and Theresa Hedgecoth; Sophomore Attendants–Lisa Alexander and Sheryl Hosang.

After the crowning, Tracy Alexander takes advantage of a few moments to relax and enjoy the game.

We've Got Spirit, Yes We Do!

Spirit Week, full of activities leading up to Homecoming, was held from October 23rd through the 27th.

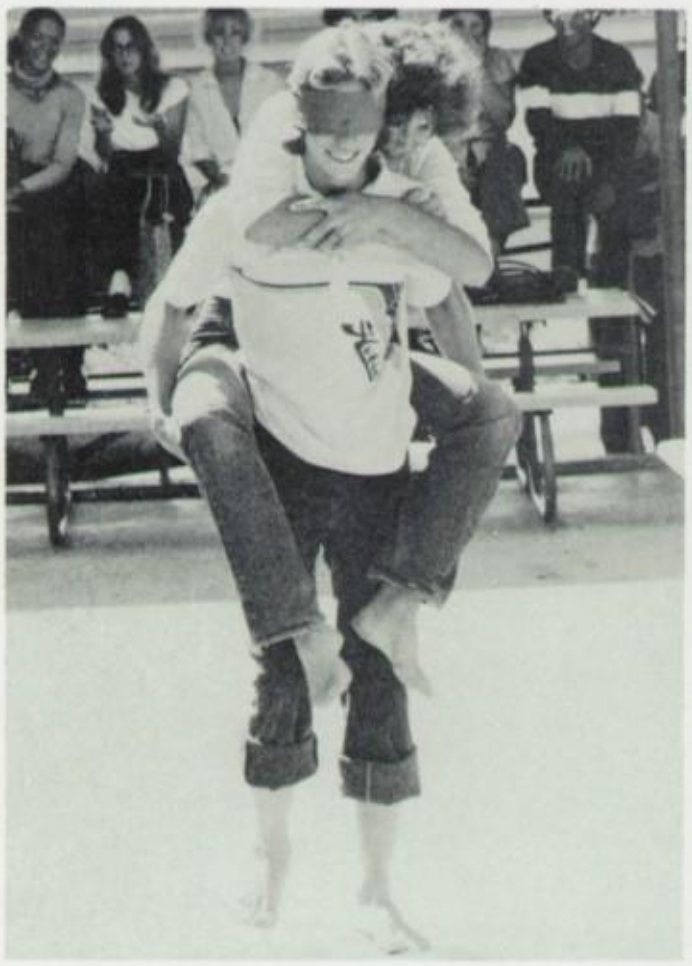
A pie throwing contest, sponsored by the PABAS, got Spirit Week off to a fun start. Pies were auctioned off to students, who wanted the chance to cream members of our faculty and the football team.

The Girls' League sponsored Blind Man's Obstacle course was next, with teams of contestants racing over tables, through spaghetti and ice, and around chairs, with one member of the team blindfolded.

On Wednesday, the Junior class sponsored a Spoon Pull where the object was to be the first team to thread all eight members together.

An Ice Cream Eating-Big Wheel Marathon came next, followed by 50's Day and the homecoming pep-rally.

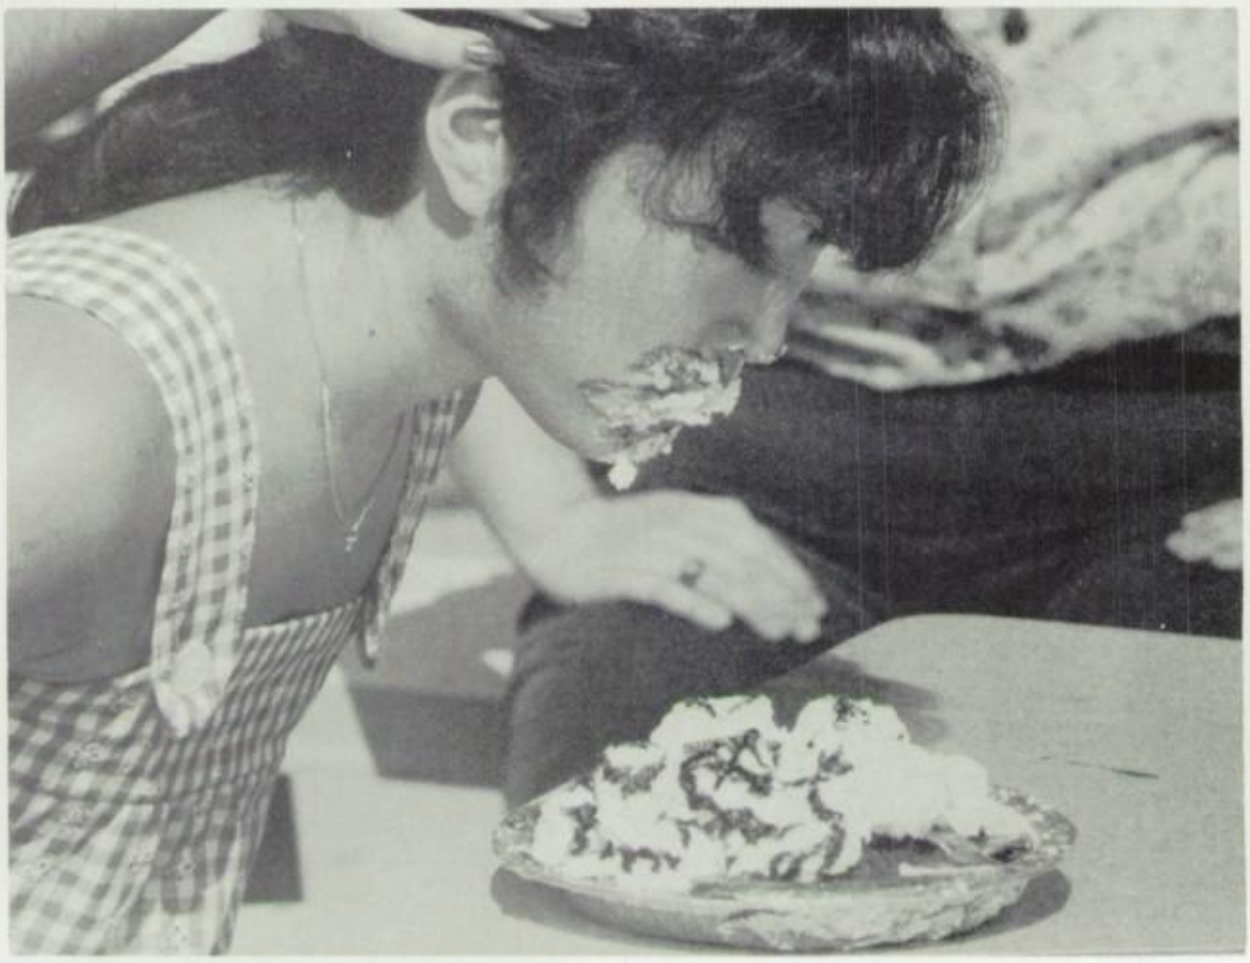
Dean Ylagen prepares to take on one of Kearny's most spirited teachers, Mr. Owen. Price for revenge? $2.00.



Rusty Ethridge and Marci Jones race through a sticky pile of spaghetti on their way to winning the Blind Man's Obstacle Course.

Disregarding the rules, Dee Dee Klaus steps in front of the line and nails her target, Kyle Conners, with a pie.

The second place winners of the Blind Man's Obstacle Course, Steve Hooper and Dawn Allen, struggle to get over a lunch table on the first leg of the race.



One of the finalists for the Big Wheel/Ice Cream Marathon, Terri Honda, attacks a bowl of ice cream before racing around the track.

Rounding the corner, Laurie Smith appears to be having a little trouble catching up to Joyce Estrada, but managed to pass her and go on to win the entire event.

Alumni Add Spirit But Not Points

After a week of fun and excitement, Homecoming 1978 finally arrived on October 27. With all the alumni present, an extra enthusiasium filled the air. The game was played on a typical fall night against the Pt. Loma Pointers at Mesa Bowl.

The festivities began with the Homecoming Parade. The court rode up in antique cars led by the band and floats made by various school organizations.

Even with all the planning and preparing of the previous weeks, someone forgot to plan a victory as the Komets lost 26-23.

The following night, spirits that had died out because of the loss were rekindled at the Homecoming Ball. Held at Straita Head Sound, students danced to the music of Starfire amid the glittering decorations that the A.S.B. worked long and hard on.

Carol Clabby and Teresa Hedgecoth ride in an old-fashioned car during the Homecoming Parade. The cars were donated by the Horseless Carriage club of San Diego for the Homecoming court.

After riding in the parade, the Homecoming Court stands in glory with their escorts as they are presented to the school.

Kearny students and alumni get on their feet to show their Komet Spirit.

In tradition, the band led the homecoming parade around the field.

During halftime the homecoming queen presented a trophy to the first place float produced by the A Cappella Choir. The PTSA also gave the Class of '79 third place and second to P.A.B.A.S. for their floats.

You couldn't miss the arrival of the alumni cheerleaders in the bright red bus of the London Opera House. The 78-79 cheerleaders introduced the "oldies" with a special hello cheer.

Ghosts and Goblins Roam the Halls

Students and teachers alike got in the spirit of Halloween by dressing up in their favorite costumes. The 500 building received cupcakes from the A.S.B. for the biggest percentage of costumes. During lunch, the first annual costume contest was held on the senior patio. First, second, and third place trophies were awarded to the students with the best costumes. First place went to Lori Monroe and Jeff Sultana dressed as Raggedy Ann and Andy. Followed by Bettina Seabourne, Jana Stankewicz, Kathy Wilcox and Linda McGibney as Kiss and Terri Honda as Egore. An honorable mention was given to Howard Dumont dressed as death.

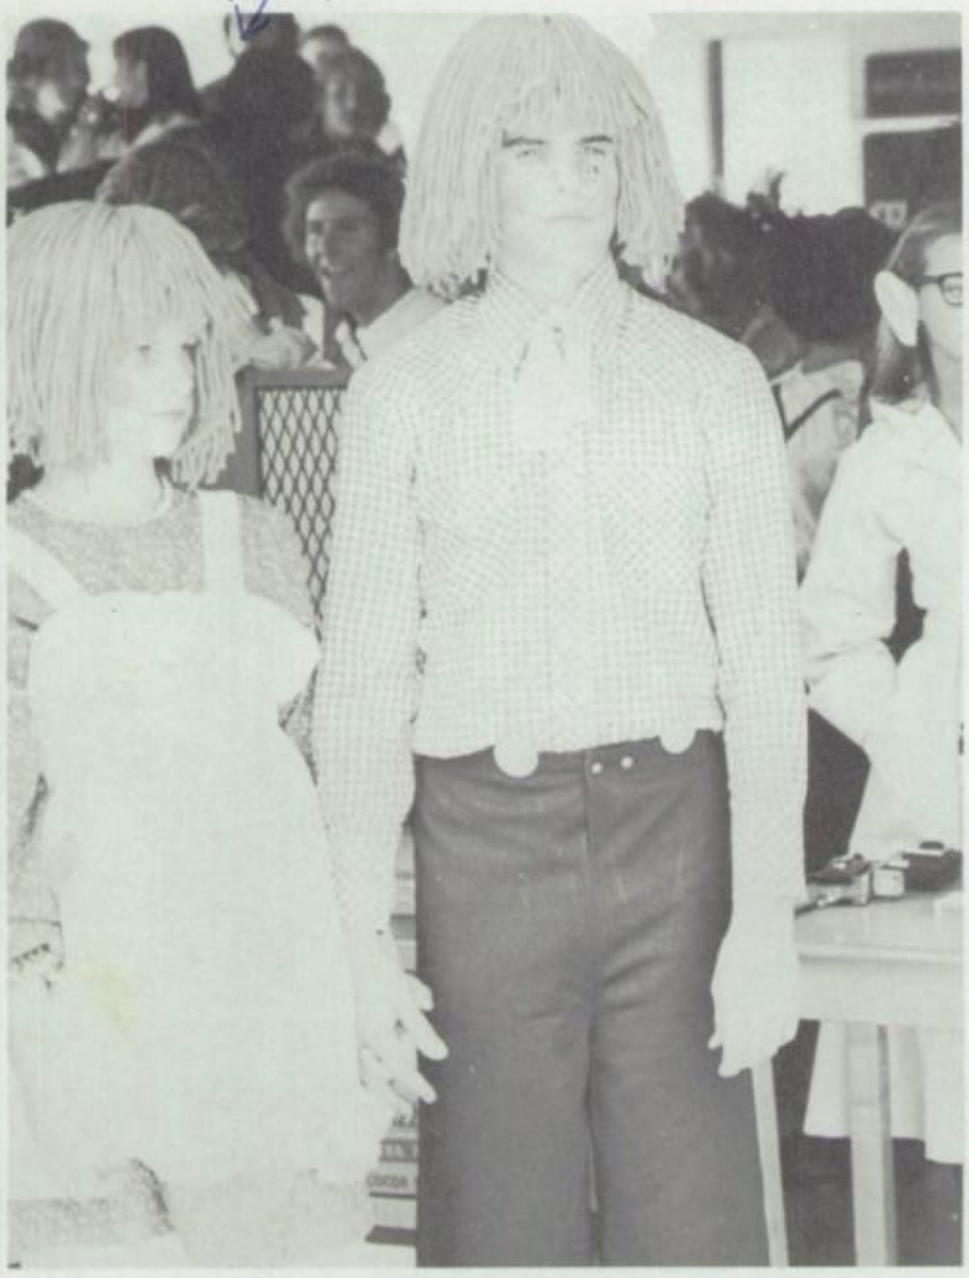
Members of the sophomore class delivered Halloween suckers to classrooms during 2nd and 3rd period.

All in all, everyone had a great day getting in the mood for parties and good times on All Hallow's Eve.

New acquaintances were made as Kearny students discovered new faces lurking around the campus. Steve Dreher and Joe Cuturan find they have much in common.

Terri Honda makes her rounds with her U.N.I.C.E.F. box, hoping for some loose change from Marshall Sylwestrzak.

First, second, and third place winners unite to judge the faculty costume contest.



Lori Monroe and Jeff Sultana looking cute as dolls, captured the eyes of the judges by taking first place.

Trick-or-treating for U.N.I.C.E.F., Terri Honda takes time out to win third place in the costume contest.

Mrs. Stewart wows the Komet student body by winning first place in the faculty competition.

This years ROTC Court consisted of three hard working girls. Each girl being equally proud to be a part of the ROTC. Queen Brenda Bogner followed by her Attendants, First: Sharon Latimer Second: Maria Mynatt are respected throughout the whole ROTC program. One of the most memorable highlights of the year was the ROTC Ball. It was held on May 5 at the Al Bahr Temple. These three girls will long remember the special night of the ROTC Ball and all of the ROTC activities through out the whole year.

A Hearts Content

There are many holidays in the year. Each having a special purpose. Valentine's Day is a holiday for lovers. This special day gives guys and gals everywhere a chance to send something special to the one they care for the most. This year the Diana's and Girls League gave the students of Kearny High that chance. The Diana's and Girls League sold special gifts to the students for 50¢. They were Delivered on February 14 during 2nd and 3rd period. Valentines will always be very special.

A special carnation for someone special on Valentine's Day.

Sponsored by the Music Department, Kearnys annual "Winter Holiday Concert" was a big success. It featured the musical work of five groups: A'Cappella Choir, String Ensemble, Vocal Jazz Ensemble, Girls Choir and The Barbershop Quartets. Most of the songs were Christmas carols although the String Ensemble did play some beautiful classical music. Many thanks go to Mr. Graeff and Mr. Norman, who with the groups gave an excellent and enjoyable show.

Members of the Female Barbershop quartet, Debbie Beard, Bobbi Engledow, Patricia Fraser and Cathie Qualin, sing "I'll Be Home For Christmas"

The Vocal Jazz Ensemble does a bit of choreography as they sing "Christmas Gift."

In a more serious number, the Vocal Jazz Ensemble sings "Ring the Bells at Christmas".

The Acappella Choir waits patiently as Mr. Graeff introduces their song, "Hayo Haya".

The combined male and female barbershop quartets sing "We Wish You a Merry Christmas".

Emi Chuman, a member of the String Ensemble, plays 1st violin.

Accompanying the Vocal Jazz Ensemble is Jeff Segal on drums.

On December 6th and 7th, Kearny High School Drama Department presented a play entitled "Street Scene". Trying to recreate the slice-of-life realism of a New York City brownstone Apartment was a real challenge, but the cast and crew did an excellent job. While the play was spiced with typical moment of everyday city life—gossiping neighbors, an eviction, young love, and a woman giving birth—it mainly revolved around the Maurrant family. Unhappy in her marriage to Frank, Anna Maurrant began an affair with the milk collector Steve Sankey. Frank came home unexpectedly one day and found Steve in the Maurrant apartment with his wife. In a drunken rage, he killed them both and then ran off. A few hours later the police dragged him onstage where he said his final dramatic goodbye to his daughter, Rose. While most of the main parts were played by seniors, many talented sophomors and juniors joined the cast this year. Besides contributing to the huge success of "Street Scene", they help insure future drama achievements for Kearny.

During a quiet moment in the play, Mrs. Emma Jones and Mrs. Greta Fiorention gossip about Anna Maurrant's affair while Mr. Oleson looks on.

The Best Of This Year

1979 has held many new things for people at Kearny, and people all over ... things like popular songs, good movies, new T.V. shows, fads, fashions, and even hangouts. Some of these things are here to stay, and others will go, but all of them will be remembered.

Some of this years most popular songs were: Got to be Real, Renegade, Aqua Boogie, Don't Look Back, Double Vision, Lotta Love, Hold the Line, Get Off, Life's Been Good, September, My Best Friends Girl, I Will Survive, Too Much Heaven, Le Freak, Do You Think I'm Sexy?, Fire, Back in the U.S.A., Mary Jane, You and I, I Like Girls, Why Have I Lost You?, Hot Child in the City, One Nation Under A Groove, Shake Your Body Down to the Ground, Beast of Burden, Miss You, Hot Blooded, Three Times A Lady, Lost and Turned Out, and We All Know Who We Are.

Although this year had its share of flops, it also had quite a few successful movies, some of the more popular ones were: Up In Smoke, Animal House, Foul Play, Magic, Corvette Summer, Grease, The Wiz, Saturday Night Fever, Superman, Heaven Can Wait, Ice Castles, The End, Every Which Way But Loose, California Suite, Smokey and the Bandit, The Omen II, and The Invasion of the Body Snatchers. In addition to movies, there were two outstanding new television shows aired this year ... Mork and Mindy, (Na nu Na nu) and Battlestar Galactica. Both of these new shows were very popular, and climbed to the top of the charts quickly.

Another thing that people did more than ever this year was go different places. With the wide variety of people that are going to Kearny this year, also came a wide variety of weekend spots and local "hangouts". Some of the different places that seemed to be more popular this year were: Skateboard Parks, Al Bahr Dances, Fun Centers, Straita Head Sound, Rocky Horror Picture Show, Beaches, Journey, Movies, Abby Road, Parties, Sporting Events, Concerts, University Towne Center, Expressions, and Skating Rinks. These are just a few of the many places that the people from Kearny hit this year. This year more than ever, people were on the go.

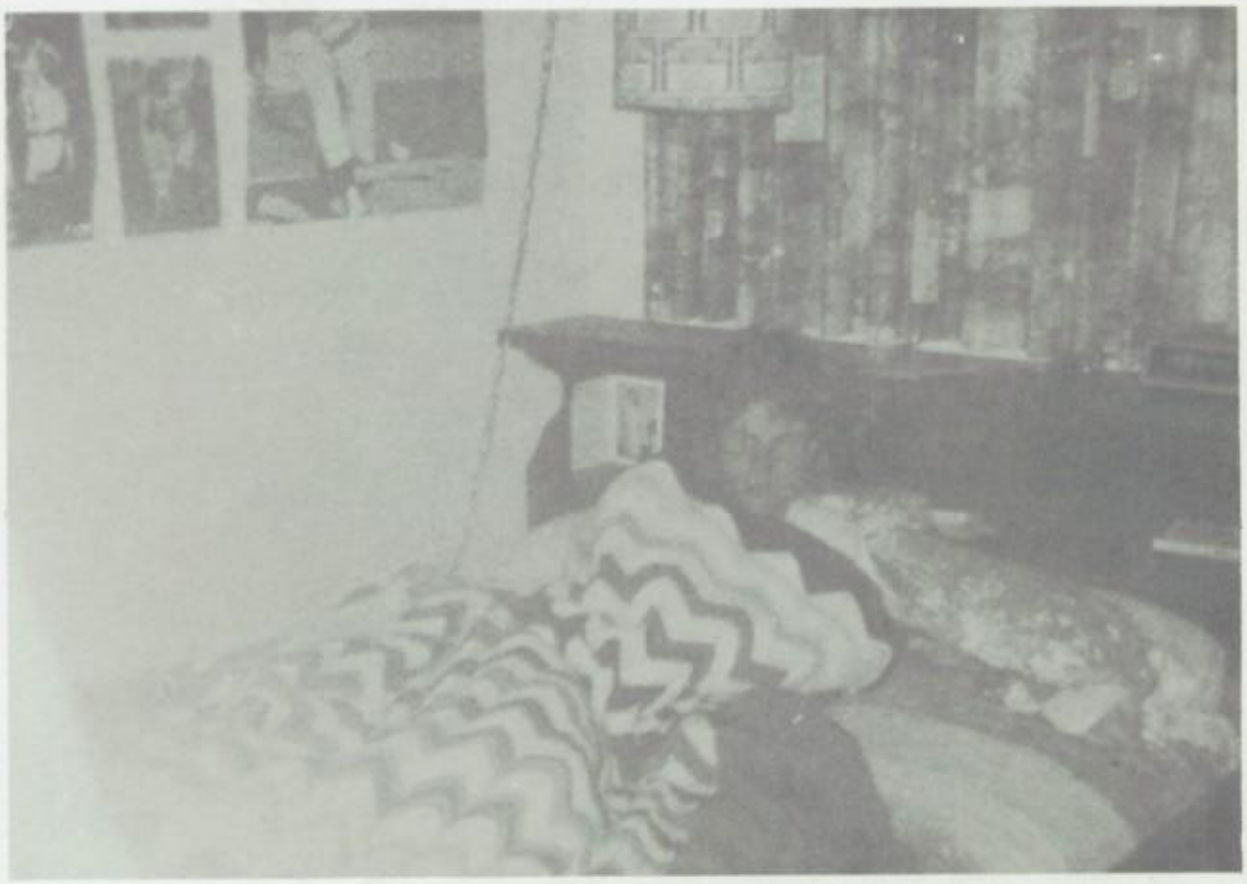
Secret Pals Give Komet Spirit New Life

This year was a terrific year for clubs. One club that really out did themselves was Secret Pals. Secret Pals Showed Kearny High students what school spirit is all about. The Students of Kearny enthusiastically followed the Secret Pals into the victory of real school spirit. Secret Pals focused on three major sports, Football, Baseball, and Basketball. Individual Secret Pals were given players in these sports. Basketball and Baseball were done in group form. The girls in Secret Pals made posters, goodie bags, and trays of goodies for the teams. At the end of the season the girls threw a party for the football players to meet their Secret Pal. The Basketball and Baseball players were kidnapped and taken out to breakfast at 4:00 in the morning. Secret Pals did a great job this year and were here to stay!!!!!!



Being brutally awaken from his sleep at 4:00 in the morning, David slowly but surely gets out of bed.

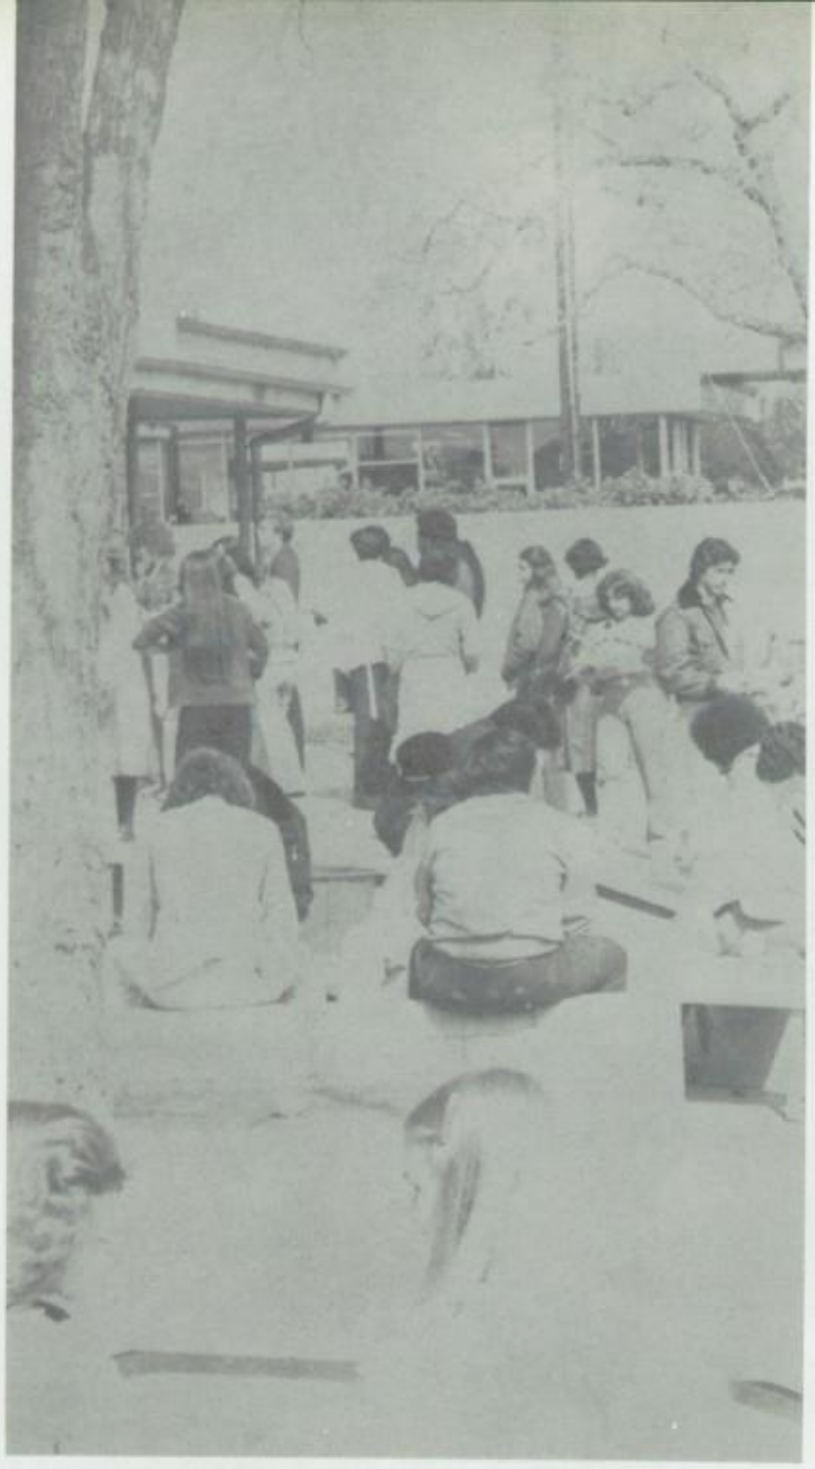
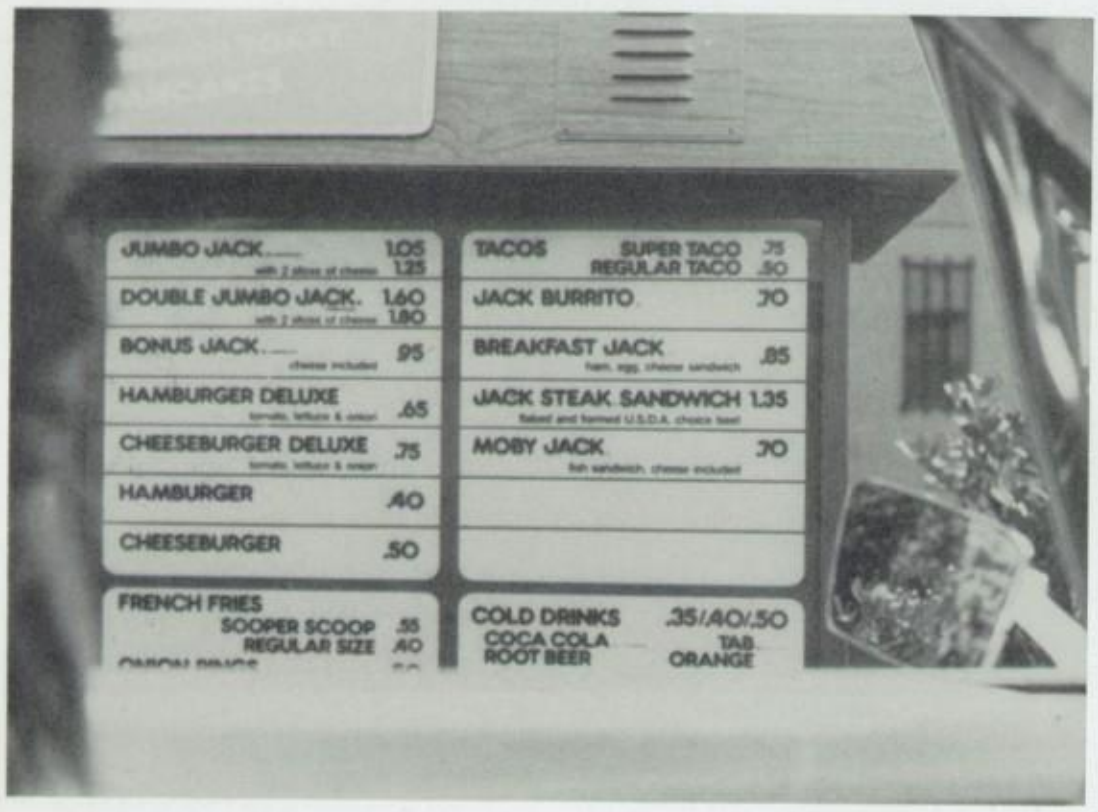
Michael Barney appears to be dazed after being dragged out of bed by a Secret Pal Member.



The area in front of the outside lines is always conjested. The lines themselves don't diminish at least for the first fifteen minutes.

Intramural sports are gaining popularity at Kearny during lunch. Lynn McCaw and Dyana D'Amico teamed up for the tennis tournament in February.



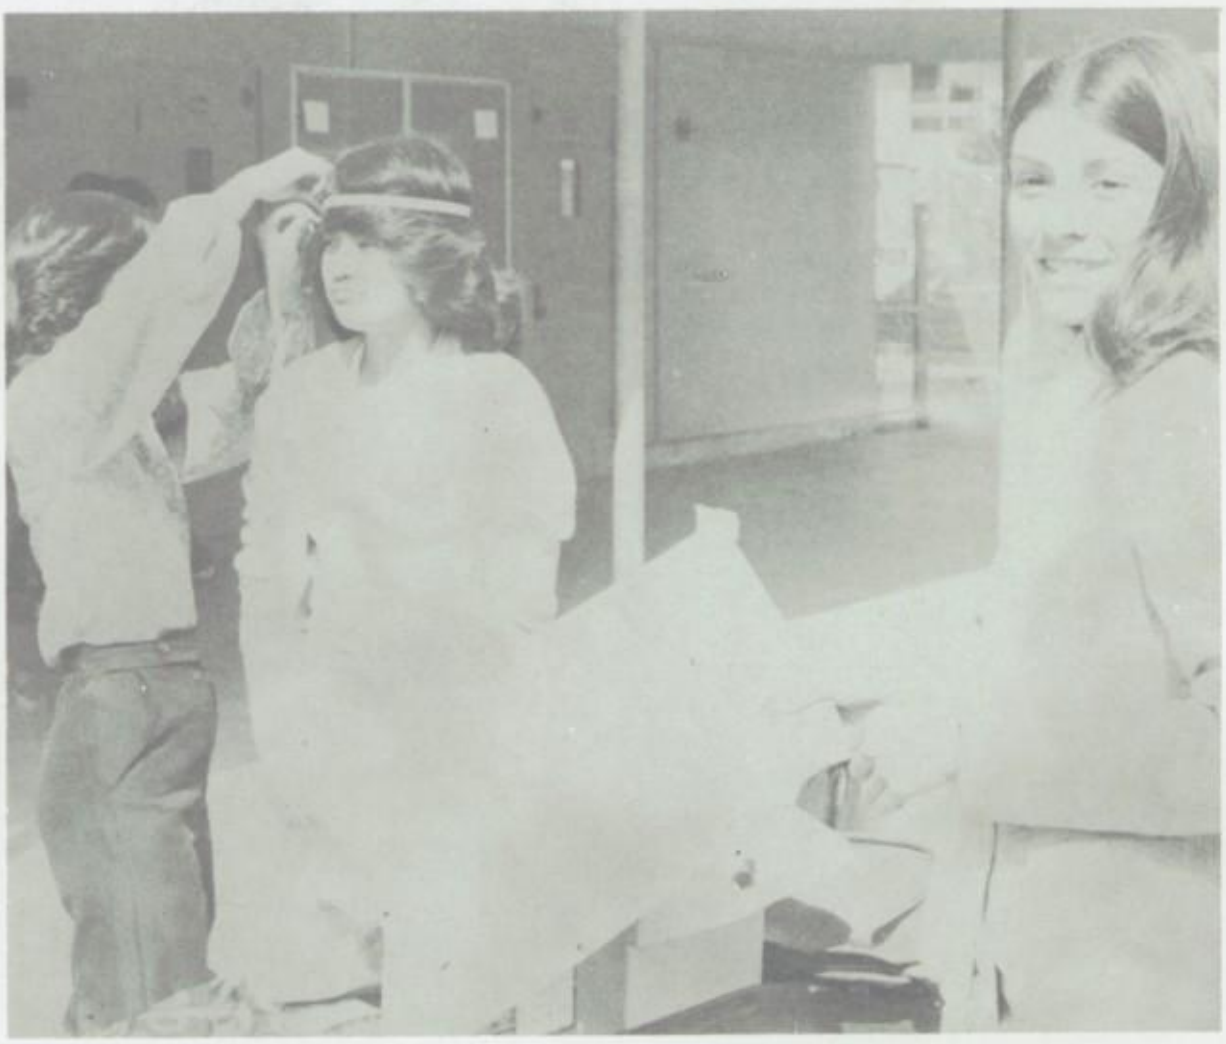
Jack In The Box, the nearest drive-thru, gets a lot of traffic from Kearny. 'Fast-food' seems to be more appealing to some students than school food.

The Army gave it's recruiting and salespitch during lunch. Other demonstrations included disco dancing and food sampling.

12:00-12:46 p.m. Komet Style

After four seemingly eternal hours the break everyone looks forward to finally arrives: LUNCH! An observer might say it looks like chaos, with cars rushing out of the lot, people pushing to get in line, food and who knows what that is happening. But to students and faculty it's time to relax, socialize or even catch up on studying.

Students spend lunch in many different ways. Some feel they stand in line the entire lunch, others use the time to play sports. Many schools activities also occur during lunch; elections, pep rallies, music and demonstrations. Of course a few students forget it's lunch and spend the whole time studying in the library for that exam sixth period. Anyways—What's more important; food or school?



Lunch is also time for doing business. Terri Honda, Joyce Estrada, and Sandra Paez of the Senior Class Council measured heads for the senior's caps and gowns on the Senior Patio.

Look twice—no lines! (must be five minutes to closing) The inside lines are the busiest but the food makes the twenty minute wait worth it.

The grass in front of school provided an escape from the hustle and crowds for this student.

Industrial Center Sparks Careers

The newest addition to Kearny's campus is the magnet program Industrial Center, located next to the student parking lot. This was the first year the Industrial Center was in operation and it was very successful.

Here students can learn the skills of repairing engines and auto bodies. There are also classes offered in avational mechanics, where students learn avational techniques. This was only the first year for the Industrial Center, but it looks like it's going to be part of Kearny for a long time. As the Center starts off many students careers.

A student is taking advantage of one of the many things the center has to offer, like refinishing a fender.

An automotive student gets experience in balancing tires.

Komet students can also take advantage of the Industrial Center as Dean Tynan is shown doing some brake work.

San Diego is a city with many happenings. 1978 and 79 has been filled with many diverse attractions for San Diegans from Whale Watching to the All Star Game, the list is endless.

Whale Watching in San Diego has been going on for many years. Gray whales from the Arctic come through San Diego on their way to Baja in January and February, and have become a big attraction for tourists and locals alike. On a clear day, looking from the tip of Point Loma, the whales can be seen coming up for air periodically.

Do You Remember How It Happened?

What's left of a cultural monument sits quietly under the sun in Balboa Park.

Another popular animal in San Diego is the KGB Chicken, who's become quite a colorful character at concerts, baseball games, football games and other public events. You can find him in the stands, cheering estatically for San Diego, and acting crazy.

San Diego is sunny most of the time and the town is known for it's beautiful weather. This year, Southern California was known for the unusually large amounts of rainfall. Built for sunny days, most roads were full of water and those in Mission Valley were completely closed for weeks at a time.

Major league baseball's All Star Game was played in San Diego Stadium last July, before a jam-packed crowd of eager spectators. The National League was victorious over the American League with a score of 7 to 3.

Along with the good, San Diego got its share of the bad, with the collision of a PSA Passenger Plane and a Cessna 17T over North Park last September. All aboard were killed as the jetliner crashed into an ordinarily quiet neighborhood in the worst disaster in United States Aviation history.

After the destruction of the Old Globe Theater last year, this year, San Diegans began rebuilding the famous land site. Gutted by fire in March of '78, last summer's Shakesperean Festival was held in an outdoor theater nearby the playhouse.

With all the good and the bad, San Diego made it through the year. Things will alway be changing in our city and Kearny will also.

Down in Fashion Valley, the water almost reached the stores.

Firemen solemnly work to extinguish the last of the flames that took so many lives.

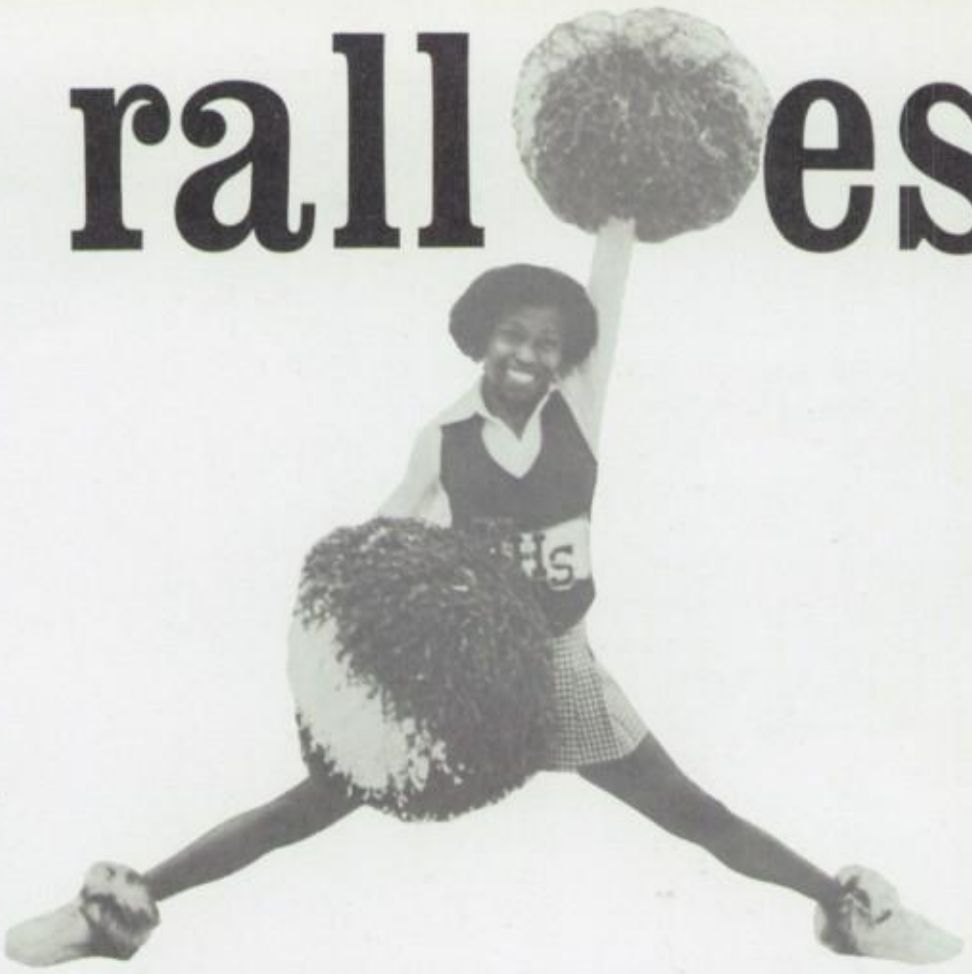
Sitting under the big 'Komet' the crowd watches with interest. Filled stands were not unusual at all the pep rallies.

pep rallies!



With a lot of good and new ideas the 1978-1979 pep rallies were very popular. After attending a summer camp, the cheerleaders collected interesting events and combined them with their own creative ideas. Head cheerleader, Cheryl Welish, organized the events.

The pep rallies included songs, cheer tryouts, introduction of sports, slumber parties, short people and many more. Even a centipede, Centi, pe-ed on a volunteer football player.

Lisa shows true interest in making a basket. But if she made it, Lisa really was concerned with 'creaming' a basketball player with a pie.

ACADEMICS

As sock hops, circle skirts and red convertibles were part of the '50's, so will discos, danskins and—ACADEMICS be the fads of the '70's. This doesn't mean these courses won't be of any value in the future—bobby sox have made a come-back.

When looking in a yearbook, sports, dances, special projects and activities fill the pages. But absent from this collection of memories is the very purpose of going to school: ACADEMICS. This year, Kearny's annual will try to show some of the interesting aspects of the academic program.

Why put academics in an annual? It's just the same classes year after year—but is it? No! The variety of types of classes effect the attitudes of the era. Twenty years ago classes such as Political Science, Human Relations, Computer Math and P.O.P. classes were unheard of. Gone are the days of three types of classes: Basic, Intermediate and Advanced.

What does all this mean? The Academics of 1979 are just as big or even larger part of the characteristics of the 70's high school and should be included in this collection of memories.

Computer Math is probably the most interesting math elective at Kearny. Students explore the fast-expanding world of programming and understanding computers.

ENGLISH

The English-Language Arts program is concerned with the study of how man communicates his needs, his knowledge, his feelings, and his value through language. It thus not only has a subject matter of its own -- language and literature but develops competencies -- speaking, listening, writing, reading -- essential to every other subject area.

In order to become a literate citizen, each student should learn to:

. . .Read to understand better his environment, his fellow man, and himself.
. . .Speak clearly and effectively in terms of his own purposes.
. . .Listen critically inorder to judge the accuracy of information and the logic of the ideas presented.
. . .Write effectively to express original ideas and thinking.

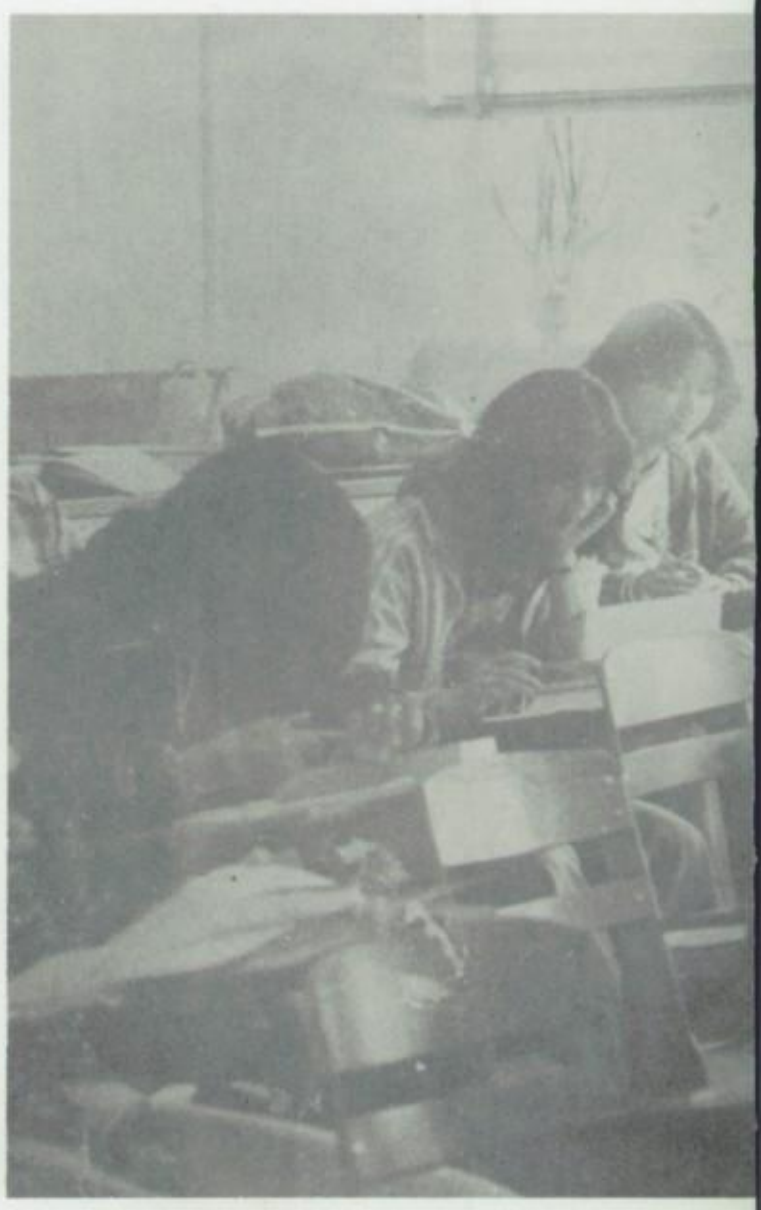
Some students reading, others writing and some not really doing much of anything is the standard idea of an English class. This sixth period class seems to live up to the name.



The Basics: Readin', Writin', and 'Rithmetic

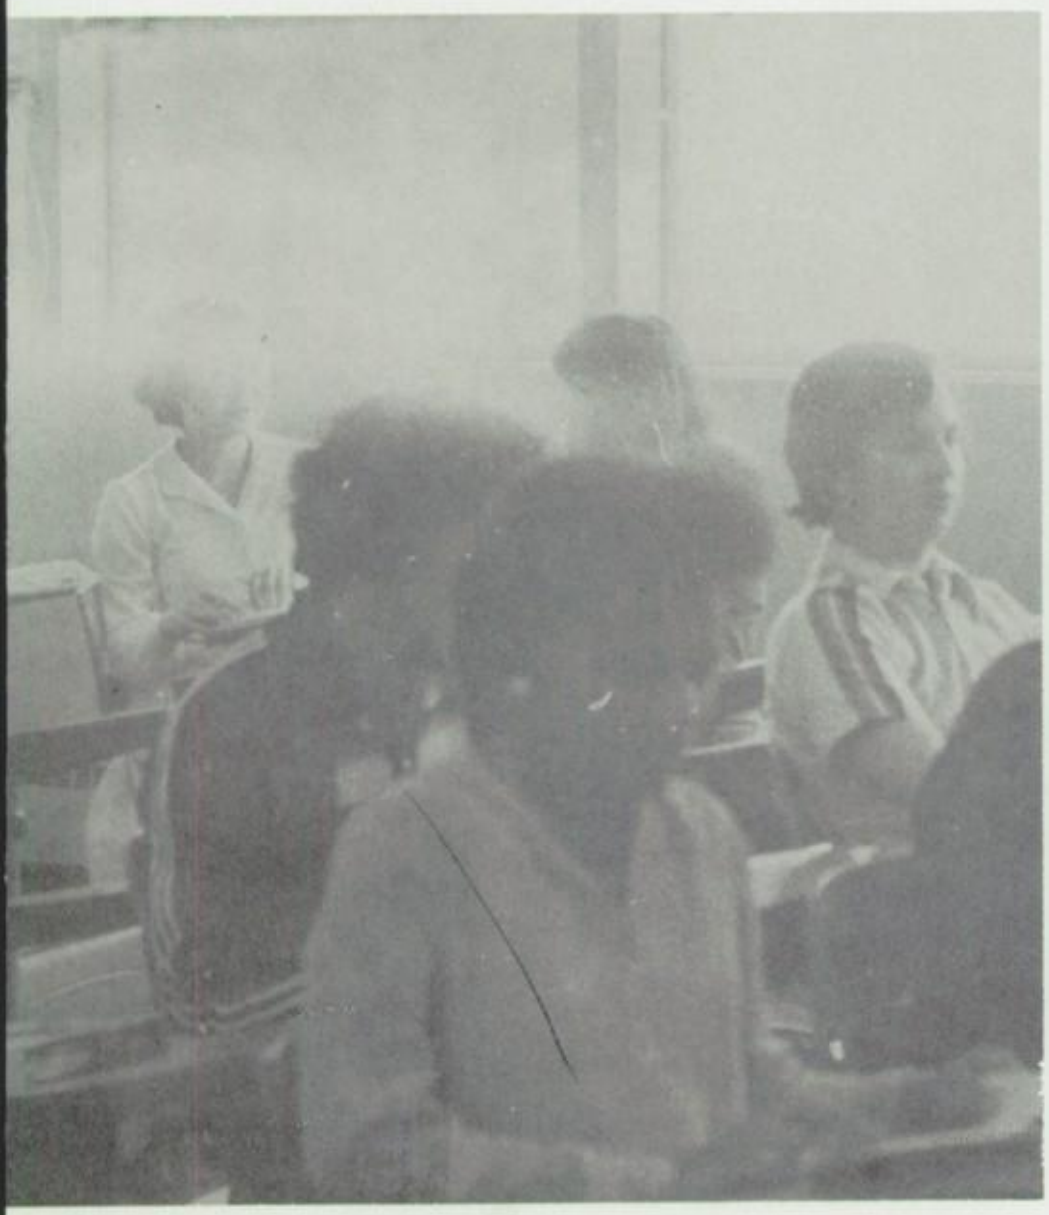
English and Math have a reputation for being dull and boring, but required. But now students have a chance to add a little spark to their classes.

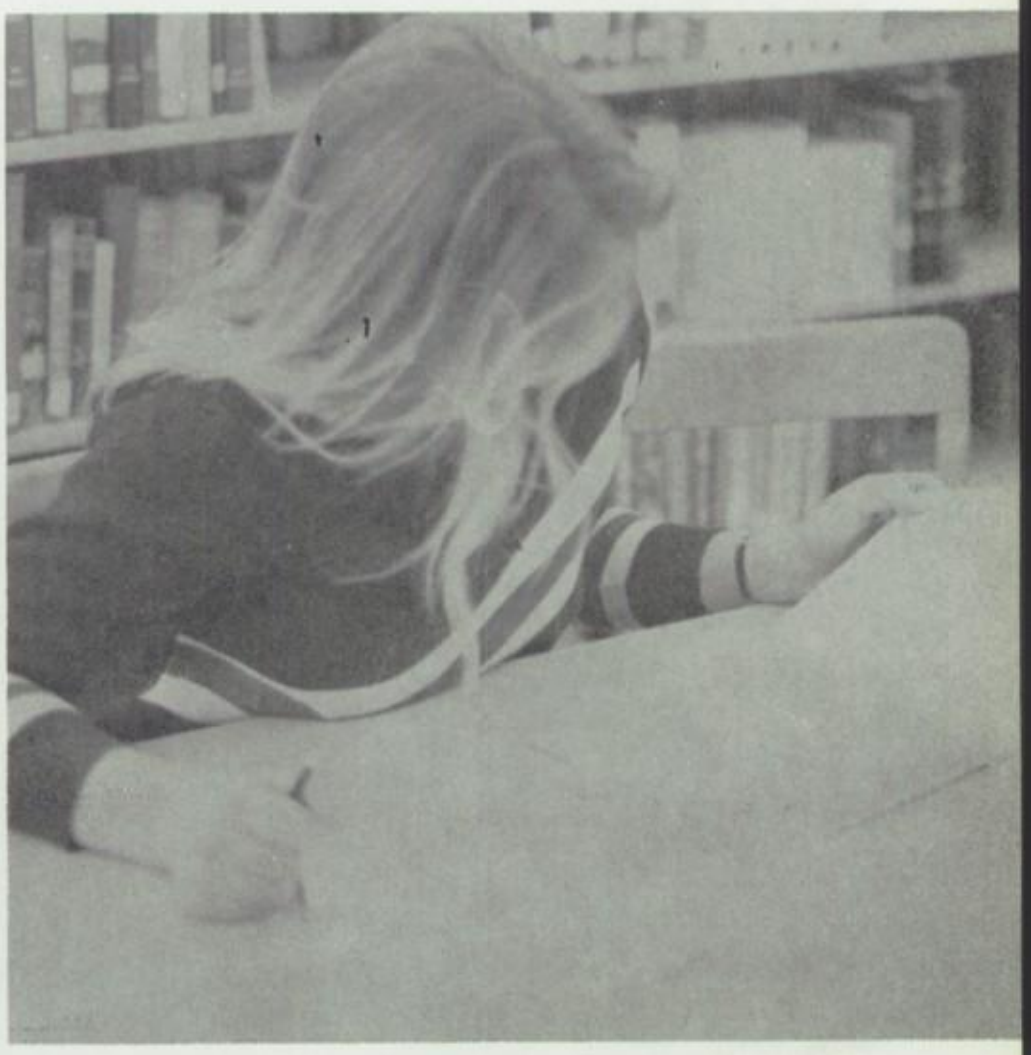
The English Department has the widest range of electives. Students can learn about Women in Literature, study film making or try a little Creative Writing. Basic English classes are also offered such as Reading Development, American Literature and Honors English.

The choices in math range from Basic Algebra to Honors Calculus. The newest addition to the math program is Computer Math. This course allows students to be exposed to a type of math which is in great demand in the job market.

The 'basics' have taken a new form but beneath the titles it just comes down to reading, writing, and arithmetic.

Every Thursday the calculus class does not have a class since the course is actually a college class which meets Monday, Tuesday, Wednesday, and Friday. Instead the students head for the library to help each other with homework.





The library offers peace and quiet for serious reading and writing. Kya Hurst takes advantage of the serenity fourth period.

Jim Peditt glances up while marking lines on a piece of wood which will one day become a jewelry box.

Waiting patiently for Mr. Johnson to finish talking to other Crafts students, John Roop inspects his clay elephant.

A group of ceramics students carefully apply glaze to handmade clay items before firing.

Art Department Draws the Line

Before attempting anything difficult, Ralf Sedillo shows his skill at macrameing by doing this beautiful sampler.

Located mainly in the 900 building, Kearny's art department was an important part of school for many students. Due to the varied talents of the four art instructors, there were a wide variety of classes offered both semesters.

The three different classes taught by Mr. Hansen were—Beginning Art 1-2, Commercial Art, and Art Productions.

Two teachers had only one type of class, Mr. Moon with ceramics and Mr. Garris who taught drawing and painting.

In addition to Crafts 1-2, Mr. Johmson taught Senior Art Studio in which students got a chance to work with copper enameling and resin casting. Besides just doing individual projects, students in Art Productions contributed to the school by making all the "beat ribbons" and signs.

One of the most varied classes was Crafts 1-2 where students got a chance to macrame, and work with wood and clay. The ceramics classes worked only with clay, but were able to use the potters' wheel in addition to making many beautiful things by hand.

Some classes, like Senior Art Studio and Commercial Art were designed for the student interested in an art related career, but most other classes were meant for students who hadn't had much experience in art.

Working on the potters' wheel, Loren Albertazzi carefully shapes his clay.

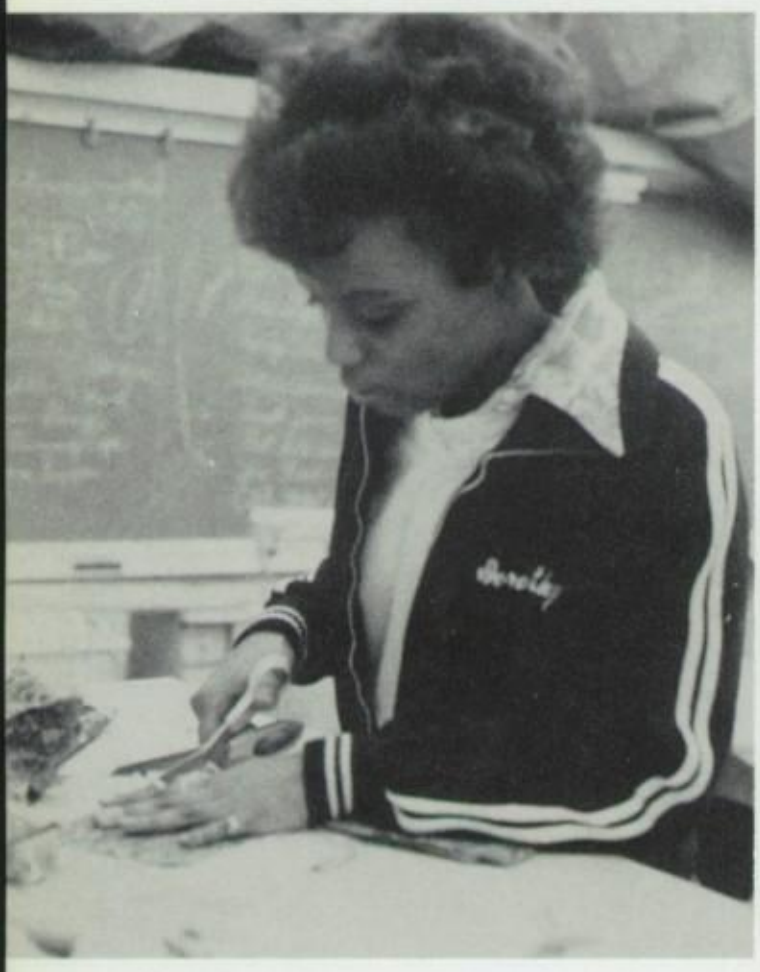
Domestic Dealings On Campus

Each year students are offered a wide variety of elective classes at Kearny. The Home Economics Department offered: Clothing, Foods, Decorative Arts, Child Development, and Family Studies. These classes were open to all students, and were taught by: Mrs. Bergner, Mrs. Canson and Mrs. Shrock.

Clothing classes made a wide variety of projects ranging from dresses for the prom to bathing suits. Foods classes started with basic terms and worked up to ethnic foods and comparative shopping. Decorative Arts classes learned many craft ideas. The other classes dealt with the stages of life, development of children, and relationships between people.

The Home Ec. Department did a great job!

Leanna Bradley, Sally Swanson, and Ray Banks take a moment to pose before resuming their task.



Jackie Snow carefully cuts out squares of material that will be used to make a quilt.

Deanna Reyes, Mary Hidalgo and Kathy Mason look through pattern books to help them decide what to sew next.

Sinh Ta puts some finishing touches on a vest, while Phung Quach looks through a pattern book.

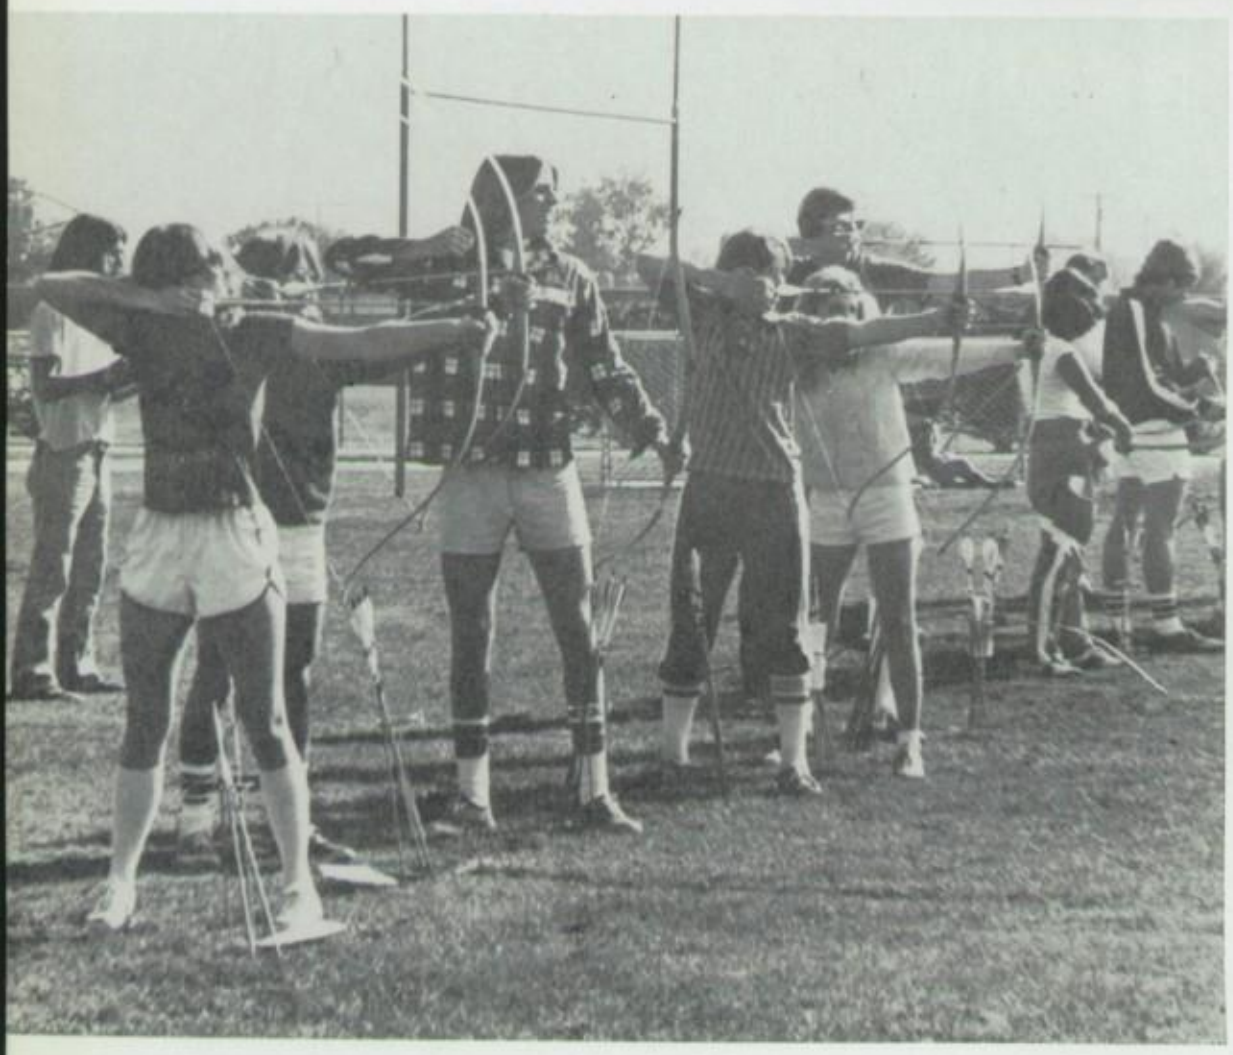
Lori Appling carefully pins down pattern pieces for her dress.

A group of students in Decorative Arts discuss what their next craft projects will be.

Some students, like Alonzo Johnson like to come in class and show off.

One of California's most popular sports, the frisbee, has made it onto Kearny's P.E. program. The class consist of a football-soccer style frisbee game alternated with ping-pong. Here, Todd Bobbitt "passes" to Doug Saladino.

A steady hand and good aim are the requirements for archery. While using genuine arrows, Coach Colbourne ensures these students know what they are doing.



Students who need time to let out their frustrations and relax, enjoy a good game of tennis. With a big smile, Vicki Burnett shows tennis can be a lot of fun.

Not only is jogging sweeping America but it has become an established part of Kearny's program. Students can't avoid a lap or two since most classes include jogging.

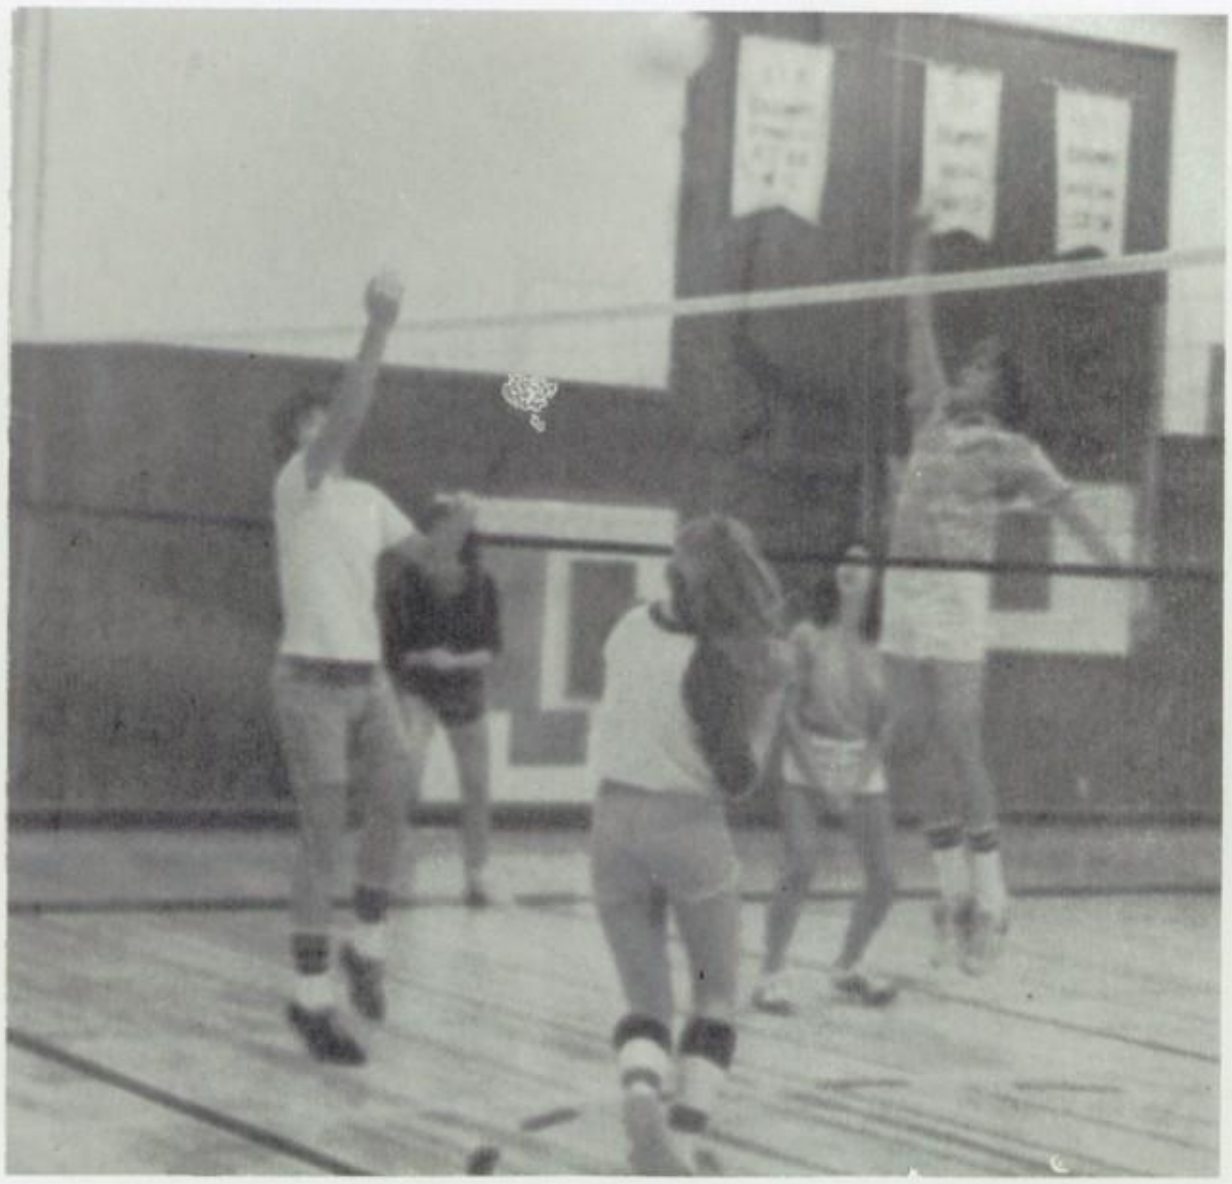
P.E. Isn't Just Fun and Games

Many students believe P.E. is a fun and games class with an easy "A" attached. But as they soon discover, it's hard work and a lot of sweat getting their junk-food infested bodies back into shape.

But P.E. can still be fun. Kearny offers a wide spectrum of classes to fit practically all student's tastes. From raquetball to aerobic dance and swimming to figure control, Kearny has classes for the aggresive and the non-athlete.

With all the choices, you want not only to take one class but maybe two, three, . . .

When the rains came down the volleyball classes just packed up and moved into the gym. Coach Short's second period class always shows dedication and a lot of enthusiasm with the many good players in the class.



During a study and comparison of different types of epidermis cells, Lorrie Yoder examines cheek cells from her mouth.

The science department offered a wide variety of courses this year.

Included in the well-balanced science curriculum was Physiology. The course, taught by Mr. Thomas, emphasizes human psychology and chemistry, and employs college level materials. Kearny is one of the few high schools in San Diego to offer Psysiology.

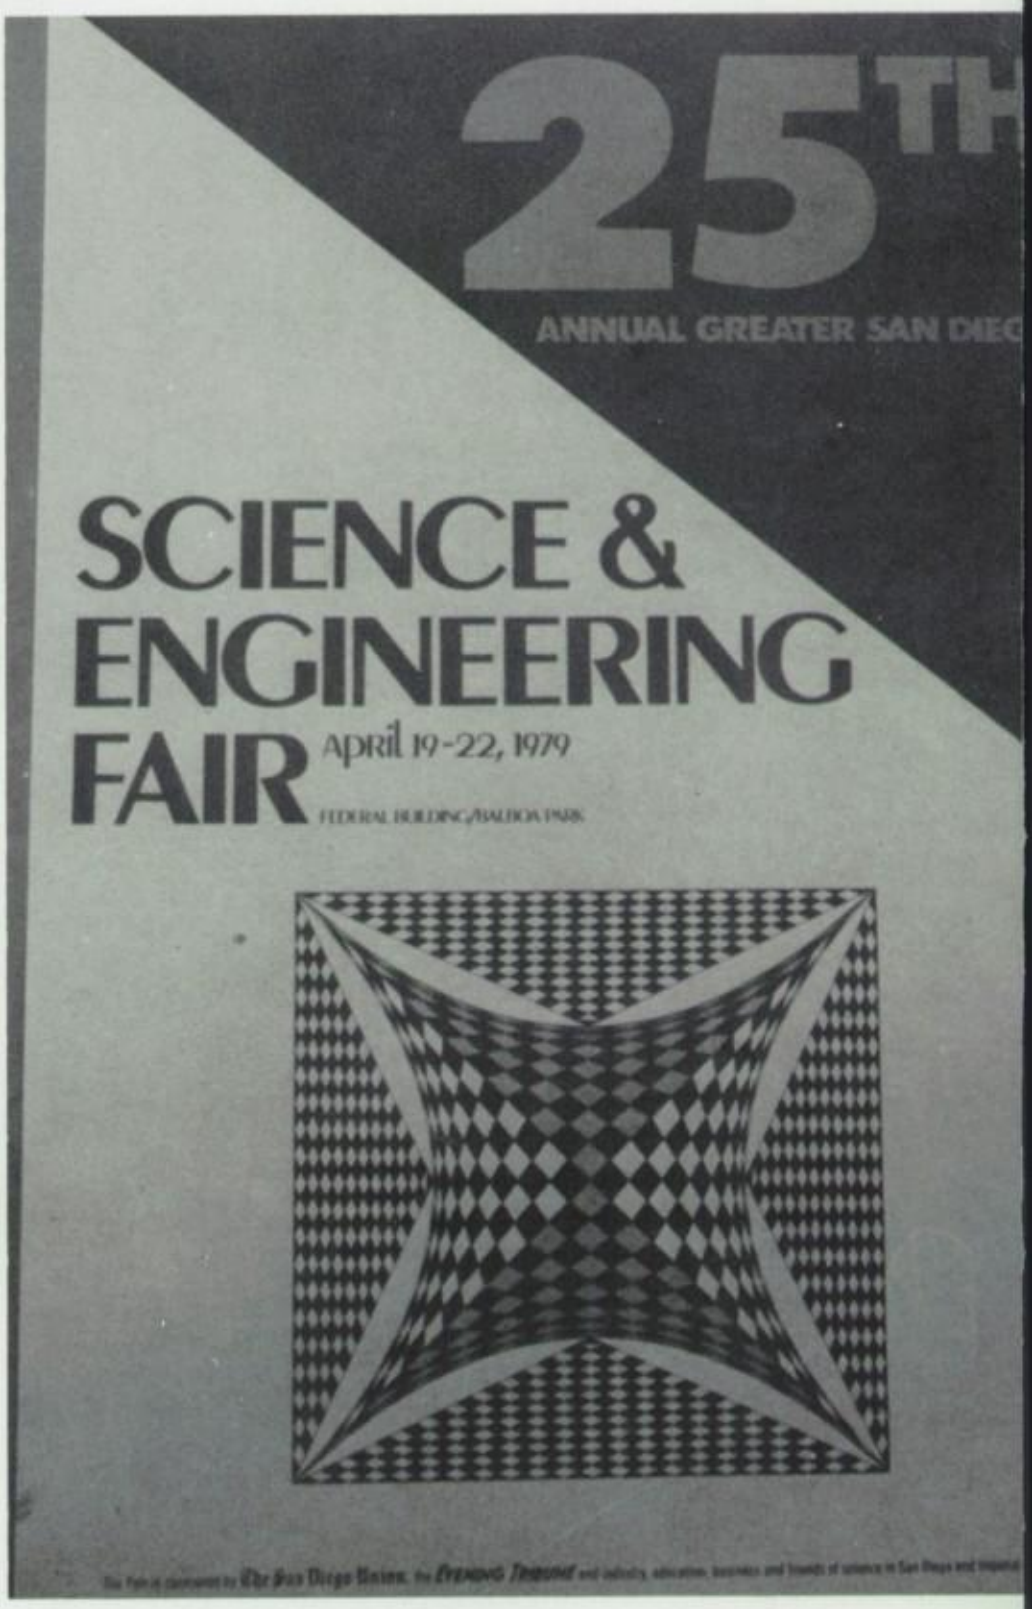
Marine Science, a study of selected aspects of the bay and ocean environments, is divided into 2 different semesters. The first semester deals with the psysical aspects of the sea. The second semester is a study of sea life. Included in the class are trips to Sea World and whale watching.

Advanced Biology is an in depth study of biochemistry. Students investigate how new species might be formed, and how energy is transferred in an ecosystem. The course also includes some microbiology. Time is set aside for some individual study too. Both Marine Science and advanced Biology are taught by Mr. Reed.

Science Survey is a basic class which gives a survey of biology and chemistry in one semester and of physics

Jim Moss determines mass with a balance during science survey.

A few students from Kearny submitted projects to the Greater San Diego Science and Engineering Fair held in Balboa Park. The science projects were studies done by either one or a group; the topic being the student's choice.



and earth science in the other semester. This course is designed for students with little or no background in the sciences and in a preparation for other science courses.

There are four chemistry classes, one of which is an advanced course. Mr. Green, who teaches all 4 classes, said, "We have a motto and that is that 'Chemistry is Fun.' I have a lot of fun teaching chemistry, and I believe that chemistry students are the best kids at school. We study the basics of matter, and how matter exists and reacts. Chemistry is life; everything we deal with is chemical. Maybe God is a chemist."

Another outstanding science course is physcis, in which students experience and witness first hand many of the laws of physics, in which students experience and witness first hand many of the laws of physics through labs and experimentation. The course is presented in an excellent manner and includes the key ideas of physics such as forces, motion, light, waves, energy momentum, and electromagnetism. Honors Physics, for high school seniors, places a greater emphasis on modern physics and uses college level materials. Both Physics and Honors Physics are taught by Mr. Owen.

Dr. Shannon, biology and science survey teacher, had this to say about his classes: "Biology is the study of life. Since most dissections are done on dead things, I do not have many dissections in my biology classes. My strong point is motivation. If I can get a student to want to learn, I feel that I have been successful. Science Survey is a detailed general science course with many lab activities. One feature in my course that might be different from other teachers' is the semester project. Students work on a topic of their choice, be it making a model or conduction of an actual experiment. All work is done outside the classroom. Many students have written on their class evaluation forms that the semester project is worthwhile."

Two science teachers new to Kearny this year are Mr. Howard, who teaches science survey, and Mr. Fenner who teaches basic biology and college prep biology.

Science: A Challenging Elective

Demonstrating the correct and humane way of handling mice, Dr. Shannon and Debbie Armstrong observe the characteristics of a mouse used in a study of genetics.

In a demonstration of conservation of energy, Christine Anderson cringes as a bowling ball hanging from the ceiling swings uncomfortably close. The demonstration is appropriately entitled "Faith in Physics", and is included in Mr. Owen's physics class.

The Senior year was probably the busiest time for the group of students who made up the class council. They started working during the summer to make sure all the important decisions were made on time. Decisions about the prom, like the band, the theme, colors and various other things.

To raise money for the prom, the council planned a candy sale in December and another one in the spring.

During spirit week, the seniors sponsored a big wheel race on the lunch court. The race drew a large crowd and was a tremendous success. In the parade at the end of the week, the float entered by the council won third place.

The work was hard, but well worth it when everything came together at the end of the year.

DERCLASS

JUNIORS

With the diligent efforts of the class officers, the juniors made their year both a memorable and a successful one.

The juniors were involved in various school activities aside from sponsoring the spoon pull held during spirit week. They also entered a junior class float in the Homecoming parade.

Junior president Teri Hedgecoth along with her hard working co-officers initiated many fund raising events including a carwash and a bake sale. Other fund raisers planned for were the Christmas stocking sales, bean bag Easter Bunny sale, and additional carwashes.

Through the combined efforts of all juniors, a foundation was layed for a great and enjoyable senior year.

Seated: Teri Hedgecoth, President; Ronda Melhouse, Vice President. Standing: Carol Clabby, Secretary; Mary L. Cabales, Treasurer.

The sophomore class got off to a running start in accomplishing the goals they have set for their remaining years at Kearny. The activities the class planned were successful in displaying their spirit and strong determination.

With no funds left in the treasury from last year, the class officers—Cathy Smiley, Diana D'Amico, Sheryl Hosang, and Jodi Souder—raised fifty dollars through the Halloween sucker sales. This year's officers were ambitious and constituted a first in composing the first sophomore constitution Kearny has ever had.

Seated: Sheryl Hosang, Secretary; Jodi Souder, Treasurer. Standing: Cathy Smiley, President; Dyana D'Amico, Vice President.

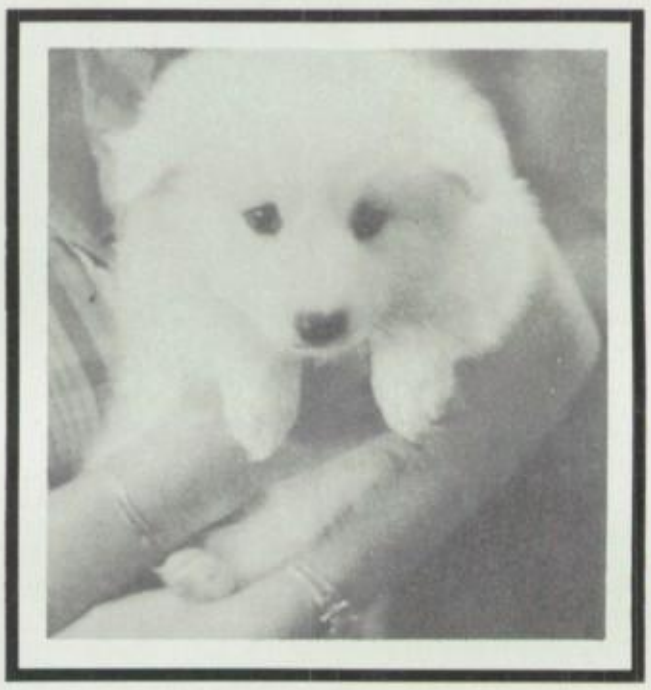
Members of Kearny's water polo team stop to show off their banner.

As usual, Ralph Edington shows us his unwavering sense of humor.



Kyja Hurst pauses between classes to enjoy a tasty lollipop.

Students in Mr. Franklin's U.S. History class prepare for an upcoming test.

After hearing that an assignment is due by the end of the day, Tom Dreher ponders over the situation.

Mr. Frankvich brought his American Eskimo Spitz, Frosty, to Mr. Jones' class which stole everyones heart. Is this a true love, or just puppy love?

Strolling between classes on a sunny afternoon, Mary and Maria laugh together as they pose for the picture.

Waiting for the December pep-rally to begin, Mindy and Michelle try to stay warm so they can show their spirit.

NIZATIONS

Kappa Dep Kouncil

Following in the tradition of hard working organizations, Girls' League was an active group this year. Under the leadership of Terri Honda, President and Kathy Gleason, Vice-President, they started things off even before the year began.

Teri and Kathy, along with Bettina Seabourne and Linda McGibney, did a great job of organizing the group consisting of four girls from each grade. Each month, the council picked a Gardenia Girl, an Apple of our Eye and a staff member of the month. To help promote school spirit and student involvement, the girls participated in Spirit Week, organized a can food drive, sold valentines for St. Valentines Day and passed out green carnations on St. Patrick's Day. The council also sponsored the Sweethearts ball, held at the Community Concourse on February 16.

It really must be said that Girls' League helped this year become a success at Kearny.

Marquee Club—A Fine Performance

This hard working and dedicated group serves as an auxiliary to the drama department helping and supporting the Drama Program. To be a member, a person must be involved in one of the major productions as a performer or work behind the scenes. Their activities include the sponsorship of the Marquee Mini-Theatres and their annual Supper Theatre.

Many Mini-Theatres were held during the lunch hour in order to promote school awareness. These performances offer comedy and dramatic scenes for a dime admission.

The Supper Theatre, a dinner-theatre concept where musical comedy talent available at Kearny is utilized, is based on a theme. Songs, dances, and scenes are carefully chosen to fit the theme. "New York, New York" was this year's Supper Theatre theme.

Club Officers, clockwise from top: Linda McGibney, Tracie Alexander, Dan DuBray, Ken Maskil.

Marquee club members participated in the winter production, "Street Scene".

Dianas Do It All

Each spring the Dianas choose sixteen juniors to be the Dianas for the next school year. This year's Dianas proved to be an active and enthusiastic group. Their first fund raising activity was a successful car wash in August. They performed a number of public services, including handing out flowers at a November Charger game to enlighten people about Cystic Fibrosis, as well as helping out with registration at Kearny in August and September. Kearny's Dianas also assisted with the Special Olympics in March. Annual activities such as selling carnations and other favors during Homecoming and various holidays, were kept up loyally. At Christmas-time they made and sold original Christmas cards, as well as painting the windows of the children's hospital. Regular meetings and slumber parties rounded it all out.

Laurie, Terri, Sadie, Terri, and Kathie all join in at the car wash, a major fund raising event.

P.A.B.A.S. (Pan Asian Brothers and Sisters) proved once again to be one of Kearny's most active clubs. By this, they participated in Spirit Week with a Pie-Throwing Auction, and entered a float in the Homecoming Parade. Because of their originality and hard workmanship they received second place. During the Christmas season they were busy selling santa suckers which helped raise their budget from the float materials. They also had a Bowl-A-Thon and many car washes in order to make possible their annual trip to Magic Mountain at the end of the school year. The purpose of P.A.B.A.S. was to promote school awarenass of Kearny's different cultures. They did just that, and by doing so will long be remembered.

This year's German Club was a small but none the less enthusiastic group of first, second, and third year German students. Under the leadership of Frau Fletcher, they got together for picnics in December and May, had a good time at German Camp in March, and entered a float in the Homecoming Parade, entitled "Kearny Kastle".

In addition, Kearny's German Club attended numerous monthly dances at Little Bavaria in Del Mar. These events are get togethers for German students all over San Diego County.

Says club sponsor Frau Fletcher, "We would like to invite all Kearny students to participate in the German club, whether they are German students or not."

Symphonicly Musical and Official

A group of talented musicians formed this year's Symphonic Band. They must audtiion and have adequate amount of musical experience to be a part of the band.

They have performed at many concerts and festivals such as the Hilton Concert, the San Diego City and County Festival, and here at Kearny their annual Spring Concert in April.

Symphonic Band plays a wide variety of selected music. They play the classics—Die Meistersinger and Essay for Band—to the sounds of today—a medley of songs from the hit movie, "Saturday Night Fever".

Music With Strings Attached

The Kearny String Ensemble of 1979 was full of ambition and talented players. Under the guidance and direction of Mr. Norman, this group had been practicing for several months preparing for various performances. They first performed in the Winter Concert playing such pieces as the 1st movement of Vivakdi's Concerto in A minor, Brook's Green Suite, and the 1st movement of Mozart's E1ne Kleine Nacht Musik. They also played the entire Concerto in A minor in their spring concert. But besides doing all that, they participated in two music festivals. One held at San Diego State University and the other at San Diego High. To top the year off, they combined with the San Diego State Symphony to give a concert. Learning through experiences and observing other performances, the Kearny String Ensemble will always continue to strive for perfection.

Jazzin' Up '79

"Jazz '79," one of Kearny's most popular musical groups, was composed of selected musicians that played modern day instruments. Because of the lack of musicians at Kearny, the ensemble accepted sophomores for the first time. To audition for the ensemble one must have at least two years of musical background. They competed in many San Diego City/ County school Jazz Festivals. The Ensemble also performed for the first time at Disneyland in May. Some of the many selections they played were Primal Scream, Fender Bender, Red Buttermilk, and Deacon's Blues.

Hitting the High Notes

The members of our Advanced Girl's Choir have auditioned for their place in the choir and have justly earned it. This choir includes Kearny's most talented female voices.

Their first major performance of the year was the Winter Holiday Program in December. After that these girls went on to perform in the San Diego City and San Diego County choir festivals.

Class parties and fund-raising events rounded out the year's activities.

Vocalizing Sounds of Today

In its second year as Vocal Jazz Ensemble, which was created by Mr. Graeff, this group did extremely well in all of their performances. They performed at University Towne Center, Fashion Valley, Bullock's, and at several other locations during the Christmas season. They also competed at several local festivals in the spring, and had a number of on-campus mini concerts. Other activities during the year included holiday parties in which they found togetherness, and bake sales.

All Together Now

Unity is the basis for a choir this big. All the altos, sopranos, tenors and basses combine to make up the Kearny Acapella Choir.

The major highlights of the year were the choirs' fine performances in the Winter and Spring music festivals. Other high points included Christmas caroling around the campus, as well as several major shopping centers, and at Mercy Hospital, and a prize winning float in the Homecoming Parade.

Also important were the area music festivals: the San Diego City/ County Music Education Association Festival, the San Diego City Schools Music Festival, and the Southern California Vocal Association Musical Association.

Throughout the year, our Komet Acapella Choir proved time and time again that they have it all together.

Marching Band—A Fine Performance

This year's Marching Band was a group of talented and hard-working students. They proved just that by helping promote our school's spirit at all home games and during the pep-rallies.

That's not all they did. They represented Kearny at many different parades. Such parades they have participated in are the Mother Goose Parade, The Oceanside Parade, the Old Town Christmas Parade, and the Liberty Parade which was held in Bellflower, California. They also performed along with the San Diego State Marching Aztecs in the 25th Annual High School Band Night held at the San Diego Stadium.

Ronald Manahan, the drum major, and Howard Black, the assistant drum major, got this talented group to work together as a team and by that, made the Marching Komets an exceptional group.

JV Cheer—Hop Skip and a Jump

Six talented and spirited girls comprised this years' junior varsity cheer squad. They faithfully supported the J.V. football team at their games, and roused up the spirit at Kearny's J.V. basketball games as well. In addition, our J.V. cheerleaders showed their stuff at many of our pep-rallies.

These girls are the school spirit of tomorrow, and all six of them were clearly enthusiastic about cheering.

Leslie Davis, Debra Hawkins, Fumiko Rodriguez, Laurie Smith, Barbara Nash, Carol Bonner.

Spirit is Our Business

By keeping our school's spirit sky high, the Komet cheerleaders cheered our teams on at football games, basketball games, and many more, and had fantastic pep rallies to get the crowd all warmed up.

During the summer, the cheerleaders attended a camp especially for cheerleading at UC Riverside. While up there, they received scores of excellence and superior in catagories such as spirit, jumps, and cheering skills. They were given the pep penant because they were the most spirited group.

Working together as a team made this year's cheer squad one of the best ever. Maybe it's because behind every great team are fantastic cheerleaders and ours are no exception!

Our Student Government

This year's Associated Student Body Council decided to change situations around. By doing so they promoted student participation in campus activities, held their first annual Halloween costume contest which turned out very successful, and sponsored other dances besides the two recommended by the Board of Education.

The Council is composed of 14 elected members and 5 appointed ones. During fifth period they met to discuss school problems, improvements for the campus, and fund raising projects.

The Council worked extra hard to fulfill the wants and needs of the student body. They found this year to be the most rewarding and memorable experience ever.

Discussing the many school problems were the A.S.B. Council's main concern.

Sandra Paez, Pat Poblete, and Linda McGibney work busily to get their own business done.

K.H.S. Galaxy—Looking to the Stars

The award-winning Galaxy newspaper started the year off with a new face. Mrs. Janet Delaney became the new advisor and gave her all to get the journalists organized.

Galaxy staff members are versatile people. Each member performs a number of different jobs, such as covering sports events, feature articles, writing, photographing, setting type, and even printing the newspaper, a rare element indeed in a high school journalism class. For a major city newspaper, it would take several people to do the work of one school journalist.

Editor-in-Chief Billy Oosterink says, "It's been a fun experience I won't forget!"

Let's Make An Annual

The Annual Staff, along with Mr. Jones supervising, worked many long hours getting all the right pieces together in order to make this yearbook. Layouts, pictures, deadlines, and copy became commonly spoken words in room 305, period 6.

Each person on the staff was assigned a certain section of the annual and was given deadlines. The editor of each section made sure that everything was going smoothly and deadlines were met.

Janice Ramsay, Editor-in-Chief, worked together with Mr. Jones and Ronda Melhouse, Copy Editor, to discover new aspects of layouts and headlines. She did an excellent job by making sure that layouts were handed in on time and by helping others with their problems.

As you can see, the long, difficult hours proved to be worth the time and effort in making this an excellent yearbook. Thanks to everyone, especially Mr. Jones!

R.O.T.C. Marches Into the Future

The purpose of the Junior Division, Reserve Officers' Training Program is to teach habits of orderliness and precision, to instill discipline and as a result respect for authority, to develop patriotism, and to encourage a high sense of personal honor and behavior. It gives the cadet elementary military training which will be of benefit to him or her, and of value to the nation if and when he becomes a member of the Armed Forces. Many activities offered in this program are the Cadet Club, Competitions, City Inspection, and Field Day.

Ski Bums

This year, Kearny's Ski Club got into full swing. Students had the opportunity to go skiing with friends at bargain rates, as well as meeting skiers from other San Diego high schools such as Mission Bay and San Diego, who participated in the trips. Economics teacher Al Janc organized the trips starting with one in December, followed by three day weekends in January and February.

Skiers were bussed to Brianhead, Utah a ski esort near Cedar City, where they stayed in condominiums, a number of which were owned by Mr. Janc. Each time, the conditions were excellent, and the skiers came back exhausted, but happy. For its second year, the Ski Club did well.

Lively Lettergirls

The Lettergirls are a group of girls who have been recognized for their achievements in school athletics. To be a Lettergirl you must have accumulated 250 points, which is done with Varsity and Junior Varsity letters. Varsity is worth 100 points, J.V. is worth 50. This year the girls planned a camping trip, and a trip to Knotts Berry Farm.

History, Honey, and Helping Hands.

This year, several Kearny students raised $651.00 each and joined other San Diego City High Schools students on an Educational Tour of some historic New England towns, including Boston, New York, and Washington D.C. Al Janc was the leader of Kearny's group, working with a special package deal from American Airlines. The trip started on March 30th and the travelers returned on April 9th.

The Beekeepers Club is a group of Kearny students and teachers who want to learn about how bees are kept to produce honey. They kept a hive of bees on the roof of the 100 building and checked the production of honey from time to time.

Kearny's Ecology Action Group made a major advancement this year, by sponsoring The Great American Smoke-Out in November. Teachers, students, and everyone else was encouraged to quit smoking for just one day.

Throughout the year, the group was also responsible for collecting and recycling paper and aluminum cans, in order to build up club funds, and improve the landscape.

Another first for the club was to enter the San Diego Zoo's "Adopt An Animal" program. By organizing a walk-a-thon, they raised enough money to pay for the keep and food of an animal of their choice for a full year.

This year, the California Scholarship Federation expanded its horizons, with community service projects as well as college-minded activities.

When Christmas time came around, the group offered punch, Christmas cards and Yuletide carols to the residents of the Knollwood West Convalescent home, spreading the joy of the season.

Later in the year, Kearny's C.S.F. made visits to San Diego State, UCLA, and USC, to find out more about these colleges. Another opportunity that C.S.F. members had was to qualify for the Seymour Award Scholarship.

Topping the year off was the annual state-wide C.S.F. Disneyland night.

A Smash of A Splash

Mrs. Kohr calls them her mermaids and minnows. She is of course, referring to her top-notch swimmers that make up the Varsity and J.V. teams. Top-notch because those are just the words to describe Varsity swimmers Theresa Demadura, Theresa Munig, Lilla Folkner, and Becky Tenhulzen. Theresa Demadura was the outstanding swimmer of the year, with the others following close behind. These girls, including Lisa Demadura and Ronda Melhouse, juniors, and Amy Lillard, a sophomore, have done more for the Varsity team than anyone can imagine.

Nothing could exceed the enthusiasm shown by the J.V. team as they went undefeated through the entire season, placing first in the league. The Varsity team tied for fourth.

Komets Go Down to Wire

It was a tough season for our Varsity football team as they started off with a 7-6 loss to Serra.

However, Kearny proved they could come back by beating Uni 16-12. The Komets outscored Uni on a Fowler run, a Stokes' reception and a Dreher field goal.

The Maroon Machine then faced Clairemont as the defense, led by Ron Kirkpatrick, Tony Wiliams, and Demon Dinkins went on to shut the Chiefs out 21-0.

The Komet Machine then fell to No. 1 ranked Morse 41-0. Although the Komets were badly beaten, Don Love stole the spotlight by saving two Morse TDs.

Kearny then proved they could come back by beating San Diego on a 64 yard pass to David Buttles. Kicker Steve Dreher had 7 points on the day.

The Komets got by Crawford on 2 Darryl Stokes scoring receptions and a 5 yard TD run by Marty Hunter, before disappointing a homecoming crowd losing to Pt. Loma 22-26.

Kearny's last game matched the Komets up with Patrick Henry in a game which decided the team who was going to the playoffs. Kearny ended up with the short end of the rope, losing the game 25-13.

Ross Wilson attempts to bring down San Diego High's quarterback as #44 John Wynns comes in to assist.

After burning a Serra defensive back, David Buttles reaches for a pass.

J.V. Gridders Shine Again

After a 2-7 season last year, the J.V. football program returned to respectability this year with a 6-3 season.

The gridders started the season with three consecutive shutouts before falling under the Morse claw 29-8. The J.V.ers bounced back with another shutout against San Diego and earned a win in the last minute over Crawford 22-16. The Komets finished the season losing two of their last three games. Both of the losses were by less than three points. The gridders finished 4-3 in league play, taking third place.

Getting the offensive on the move was QB Tracy Stant. He was accompanied by Nathan Marks and Chris Yap in the back field. Making the holes for the backs were Chris Graham and Blake McEfee on the line. Keeping the opponents scoreless were Kevin Whitfield and Bobby Baker on the defensive front. Hijacking the opponents were Dwayne Henson and Bobby Losoya. These are only a few of the 1978 J.V. players who helped combine a winning team.

Taking over the coaching duties this year was Coach Thunder, Binki Benton, Bart Bass, and Eddie Franchel.

Goin' for it . . . Ben Salmons snags a Stant pass and heads for the goal line, as the Komets came back in the last minute to club the Colts 22-16.

Hand off, take off . . . QB Tracy Stant hands off to running back Nathan Marks in hopes of a first down.

Cross-Country Finds Difficult Path as Runners Go 1-8.

This year's Cross-Country team ran into problems mainly due to the graduation of last year's varsity runners. The team was left with little experience which showed in the early meets.

"We kept improving as the season went on," comments first year coach Bub Piriana, "but we were left with only three lettermen from last year's team. That hurt."

The Komets dropped their first eight meets, but they wouldn't be blanked in the win column. Led by Dan Ponce, a determined Komet team upset the Clairemont Chiefs 26-29 in the final league meet of the season.

The girls' team was hit with illness and injuries, but Dea Arbaugh did run against other girls' teams which had six or more runners.

Komets take off in their 3-mile run against San Diego. In the end, the Cavers came out on top.

Dallas Harris takes long strides on the way to the finish line.

Bob Smith takes first place in the eastern league meet against San Diego. Coach Piriana and a Caver coach take his winning time.

Waterpolo Teams Strives for CIF

The Varsity waterpolo team for 78-79 has made an outstanding outcome. They placed third in their league which proves how hard they worked. This season was their best chance ever of making the CIF playoffs but they lost a few close pivotal games, allowing the playoffs to slip from their grasp. The well-balanced team did very well scoring nine wins and nine losses.

J.V. waterpolo did just as well, scoring fourteen wins and four losses. They tied Clairemont for second place in the league.

Coach Griswold is proud of both teams and is looking forward to next year and to resuming their challenge as a strong contender in a competitive league.

Do the Bump

Every athletic team here at Kearny has its ups and downs, but we were happy to see that the Girls' Volleyball team was by all means on the up and up this year.

The Varsity team started the season with an unbeatable 5-0 record. They came back again to lead the first round 9-3. With only three returning varsity players and four new sophomores, the team was "one of the youngest varsity teams ever here at Kearny," claims Mrs. Dahms, the coach for the past eight years.

The girls entered and co-hosted two city tournaments this season. At the Serra Tournament, Marsha Roeder was named and praised as the number four Allstar. Immense credit should also be given to Diane Daugherty and Stacy Gepford for their outstanding abilities. Varsity ended with a 4th place in the league standings.

The J.V. team—two juniors and the rest sophomores—did excellent for their first time at bat. They placed 1st in the league standings. They promise to be a very strong team for the next two years. The best of luck to them, and much thanks to one of the best coaches ever, Mrs. Dahms.

One of the better spikers, Stacy Gepford, also shows her talent as an accurate and ingenious bumper.

As another top spiker, Diane proves she can do the bump just as well.

Girls' Tennis—Ready for Wimbledon

Every year Kearny's Girls' Tennis team does better than before. This year has produced one of the best teams ever. They beat Patrick Henry for the first time in Kearny's history, allowing them to be justifiably proud. Cathy Caplener, who is one of the best players along with Judy Heath, who is in her third year, have done exceptionally well.

In the season they have had seven wins, and seven losses. That shows how hard they worked. They played in a very competitive league, with the rivals always prepared for a battle of the rackets. The team has a great deal of spirit and enthusiasm which makes all the members outstanding representatives of Kearny.

Maribeth Soriano seemingly walks into a sharp backhand return.

Approaching the ball fearlessly, Lucy Lagrimas returns with a powerful forehand.

Sydney Lem shows her style and total accuracy as she awaits the return.

Reaching high above her head with precise movements, Cathy Martin fires the ball back to her Clairemont opponent.

After winning a grueling match, Torri, Mary, and Judy ham up for a victory candid.

Making a Racket

The Badminton team here at Kearny was just full of talented superstars this year. Karen Huggins played the singles bracket better than ever. Being a cheerleader along with participating on the badminton team, presented Karen with a handicap, but she stuck it out all the way. Barbara Healy, Loan Nguyen, Terri Honda, and Barbara Torpey, also contributed their superb skills to the singles bracket.

While singles is a very important factor in badminton, so is doubles. The dynamic duo, Brenda Ackerman and Debbie Salas, lead the doubles team to some amazing defeats. Another top doubles team consisted of Leanne Bogue and Tami Layton.

All in all, the team didn't do as well as they expected in the league standings, but had a load of fun and did their best. Special thanks to Miss Ward.

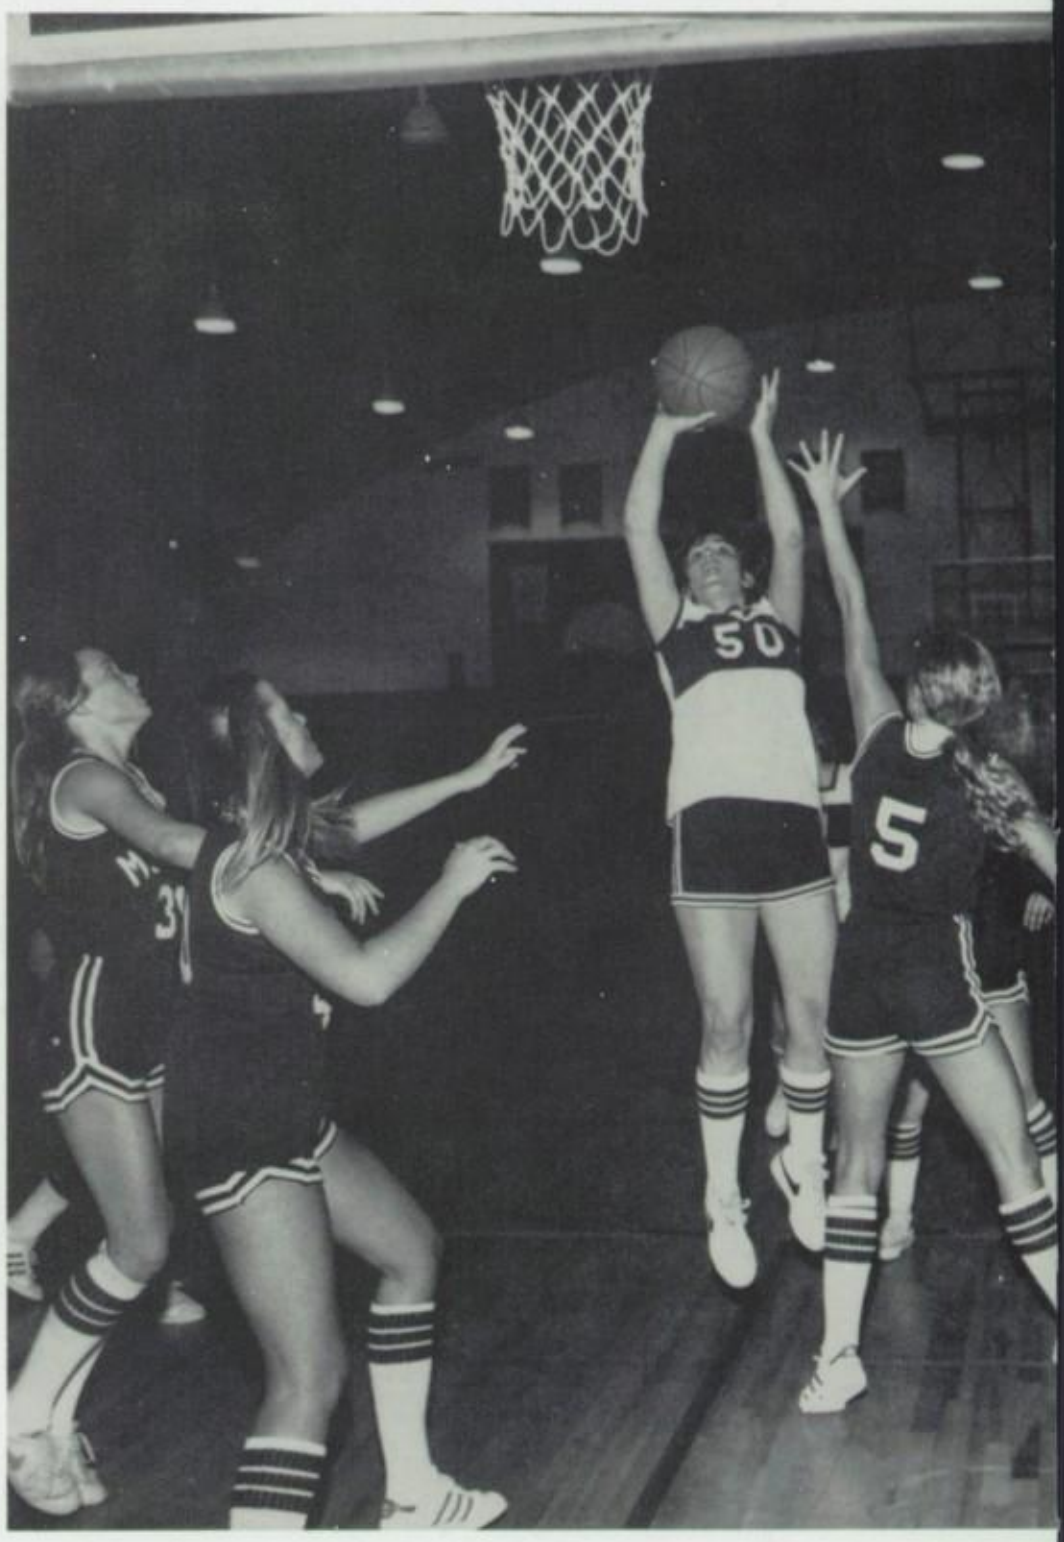
Third year varsity Stephanie Plein participates in a scuffle for the rebound.

When there's a good shot awaiting, Stephanie bolts in like lightning.



The 1979 girl's basketball season marked the return of five 3rd year veterans to the varsity ranks. Returning senior letter girls consisted of Toni Dixon, Diane Daugherty, Stephanie Plein, Laura Tampkin and Lori Urbanek. Also contributing their talent and skill to the prosperity of the team were sophomores Kelly Carothers and Sue Gardner and junior Bobbie Jones. The Komet's strong effort met with success against their top rivals who included Patrick Henry, Madison and Point Loma.

Team coach Jim Mottershaw commented that the girl's outstanding point was their great attitude and team work which is important and crucial to playing good basketball. "In fact, this year's team had the best attitude I've seen in the past 3 years."

J.V. Basketball

For the first time in Kearny's history, the girls Junior Varsity Basketball team got into the night life. The games were in the big gym. The team perfected their skills for two and a half to three hours a day after school. It was the first year of playing for the majority of the team members.

J.V. coach, Randy Robinson, worked especially with the junior varsity team, along with Coach Mottershaw. They agree that they're not looking for a winning or losing team, but for the overall improvement. Effort makes the big difference.

Volleyballers Up The

With the help of Mrs. Dahms and a few members on the team, another volleyball team was formed, Joe Cutaran, Kevin Delgado, Leo Robinson, and Dan Rosenthal are a few of the top members in the group. The team consists mostly of seniors, but there are a few juniors that are training for next year. They practice 1 night a week in the gym to build up skill.

In the league there are four tournaments that they compete in and 16 to 18 games. They enter also in a volleyball marathon. To show how devoted the group is, they bought their own uniforms in bright blue.

This year's team practices not only good movement, but good judgment also.

Swift Kickers

Building character and establishing a feeling of accomplishment were two things Soccer Coaches Tennis and Conrique strived to fulfill. And that they did by introducing us to one of the finest teams in a long time.

Every member played an exceptionally big part in contributing to the welfare of the team and each other.

Just to name a few of the many talents were, Steve Koko, Scott Witte, Leo Brendis, Alan Villandre, and Marty Estrada.

Special thanks to you and all the rest of the team for your terrific sportsmanship and effort.

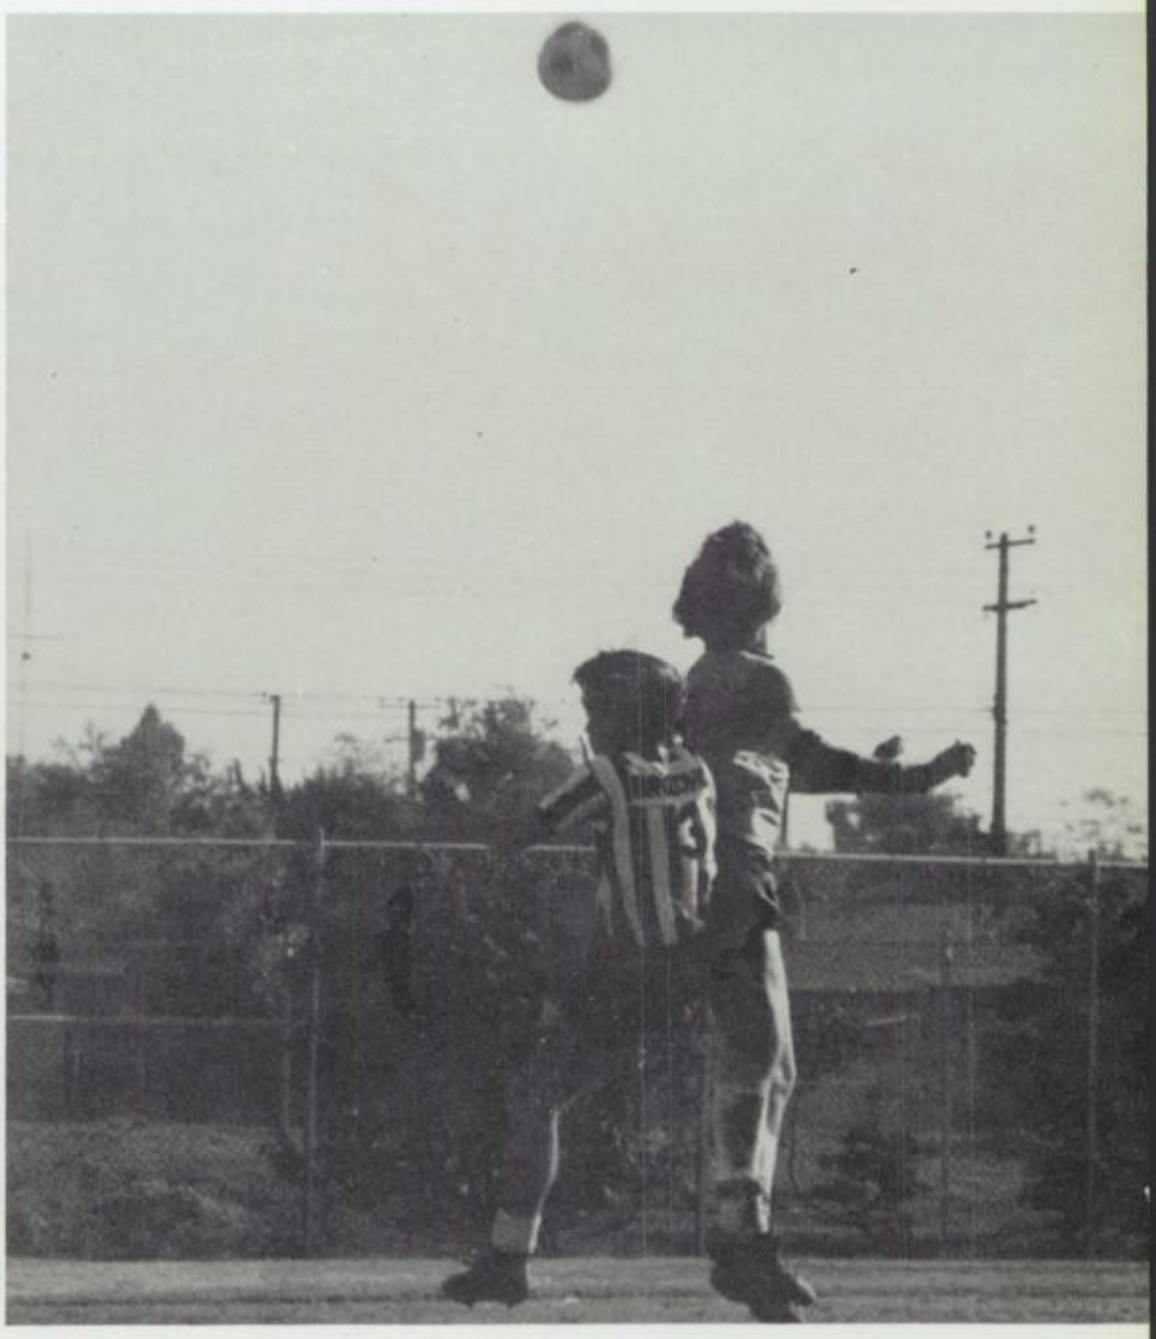
ROBINSON



Girls Softball Heads For Home

The Girls Softball team has gotten off to a smashing start this year. The Varsity team is made up of mostly sophomores, but also has four seniors and two juniors. According to Coach Mottershaw, the team has done better than previous years, proving that Kearny's spirit is still high. #35, Toni Dixon has been on the team all of her three years at Kearny and it shows by her ability. The group perfects their team by practicing every day after school. Having forfited last year, another J.V. team was formed and coached by Mr. Graeff. The group is very well balanced and is setting a good example for the following years of softball. Both teams appreciate the hard work the coaches have put into making Kearny's softball team the best.

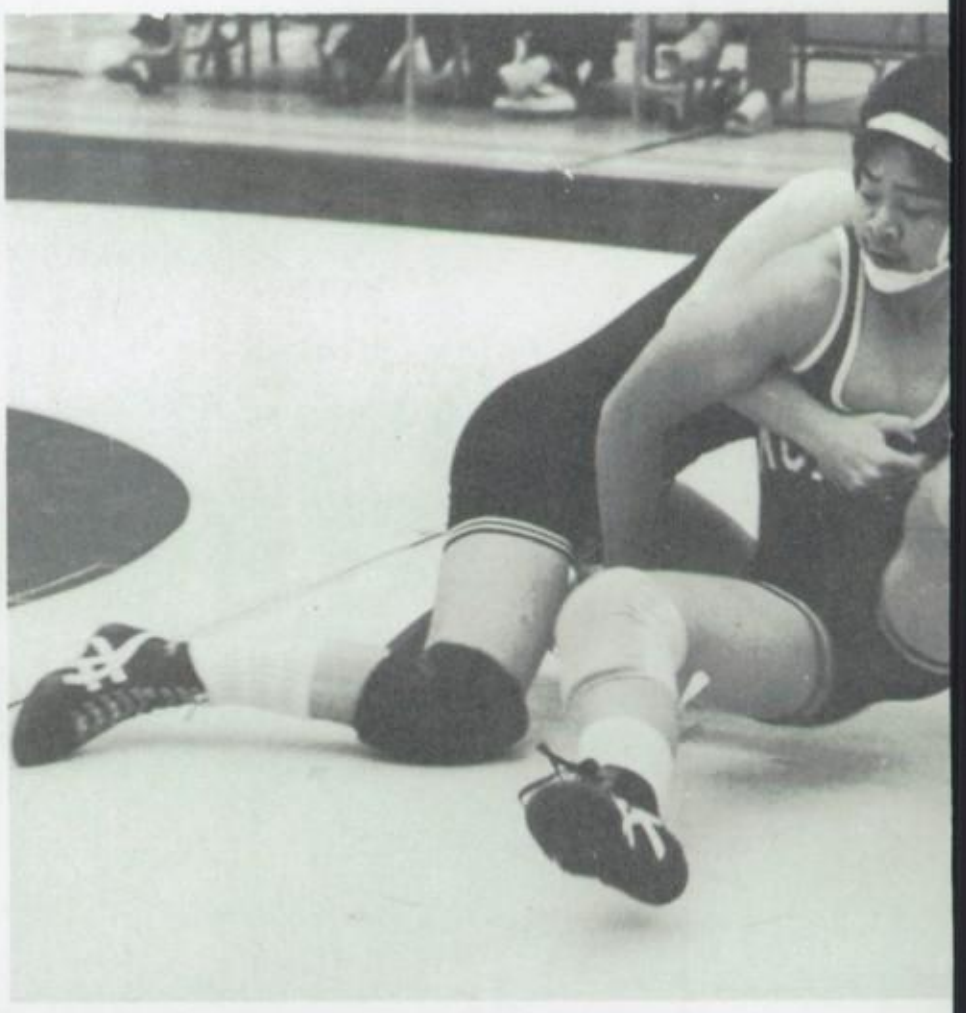
Wrestling Team Pins it Down

Kearny High School has achieved a very "strong" wrestling team this year. The team has greatly improved since last year and proves to be one of the best our school has produced.

Tom Connally, Jeff Segal, and Fitzhugh Dinkins are a few of the top members on varsity that greatly add to the well-balanced team. The hard working group practices two to four hours a day. Coach Chris Miller is very devoted to the team and has his eyes on a 500 season.

During the Christmas holiday they placed sixth in the City Tournament. They lost to Chula Vista in the dual meet, but gained when they accomplished their largest win against Pt. Loma which was 72-3.



Executing a switch is a tough move proved by Alan Ramos.

Stickers on the Rise

One of the unknown sports is now becoming popular at Kearny—Field Hockey.

In field hockey, the scores are low, but the suspense makes the game. The Komets had both good and disappointing moments. An example of their season, was the last home game against Morse, who was tied for first. The game went scoreless in regulation play. In overtime a Morse infraction gave the Komets a penalty stroke opportunity. Sophomore Luci Lagrimas placed the ball in the right corner of the cage, to give Kearny a 1-0 lead, with a minute and a half to go. The Komet defense held off the Tigers for the upset win.

Straight Shooters

We were proud to know that some of the best shots around attended Kearny High. With little or no experience, the young men, and women, amazingly remained undefeated in Match Competition and placed 1st in the city.

Two riflemen, Mike Dicky and Manuel Alcala were ranked as two of the best shooters in the entire Eastern-Western Division, scoring over 255 out of a possible 300 points.

Gwen Trew looked like a probable contender for next years Varsity Team. Her expert marksmanship was overwhelming.

Golfers Hope For A Successful Season

Kearny's Golf Team had a good season this year. With returning players such as Alan Ramis and Richard Driscoll, and new members Nancy Harrison and Darla Zolina, Coach Colborne looked at the Kearny Clubbers as "probable contenders." Coach Colborne, who started his thirteenth year as Kearny's Golf Coach saw though opponents in Madison, and Patrick Henry.

Track Team: Individual

In his first year as track coach at Kearny, Coach Griswold has a lot to look forward to . . . and with good reason. With such returning lettermen as Dan Ponce, George Gallagher and the Lidrazzah Brothers, he feels that this

year's track team is a well balanced team. "Last year we had two or three stars. This year, everybody's a star. We are just sound all around", Coach Griswold was quoted as saying.

A well balanced team with a lot of depth at all positions this is one of the best track teams Kearny has had in a while. He feels that the Komets should be able to outlast their opponents because of the quality of talent in all events. "We are strong in our throwing events, sprints, relays and our distance runs", Coach Griswold said after they beat Serra 75 to 54.

One outstanding Komet is junior Jim Thiss. Last year he broke the school record as a sophomore. This year he repeated his feat for the 2nd best throw in the county ever.

Sluggers Send 'em to the Fence

The Komets Baseball team had a very exciting year in '79. The Komets finished strong in the tough Eastern League. Being ranked high in preseason, the Komets proved the preseason polls right as they were at the top of the ranks at the end of the year.

This year the Komets by-passed the local Lions Tournaments (played during Easter vacation) to take part in a Tournament in Fresno, Calif. The reason for this was "so we don't have to play the same opponents and give the guys a chance to go out of town for 5 or 6 days," said Coach Jack Taylor who is coaching in this 22nd season at Kearny.

The Komets had strong opponents in the Eastern League, with Patrick Henry and Madison Highs being their major threat. But once again Kearny proved superior.

Trying to get back, a Hoover player finds himself a sitting duck.

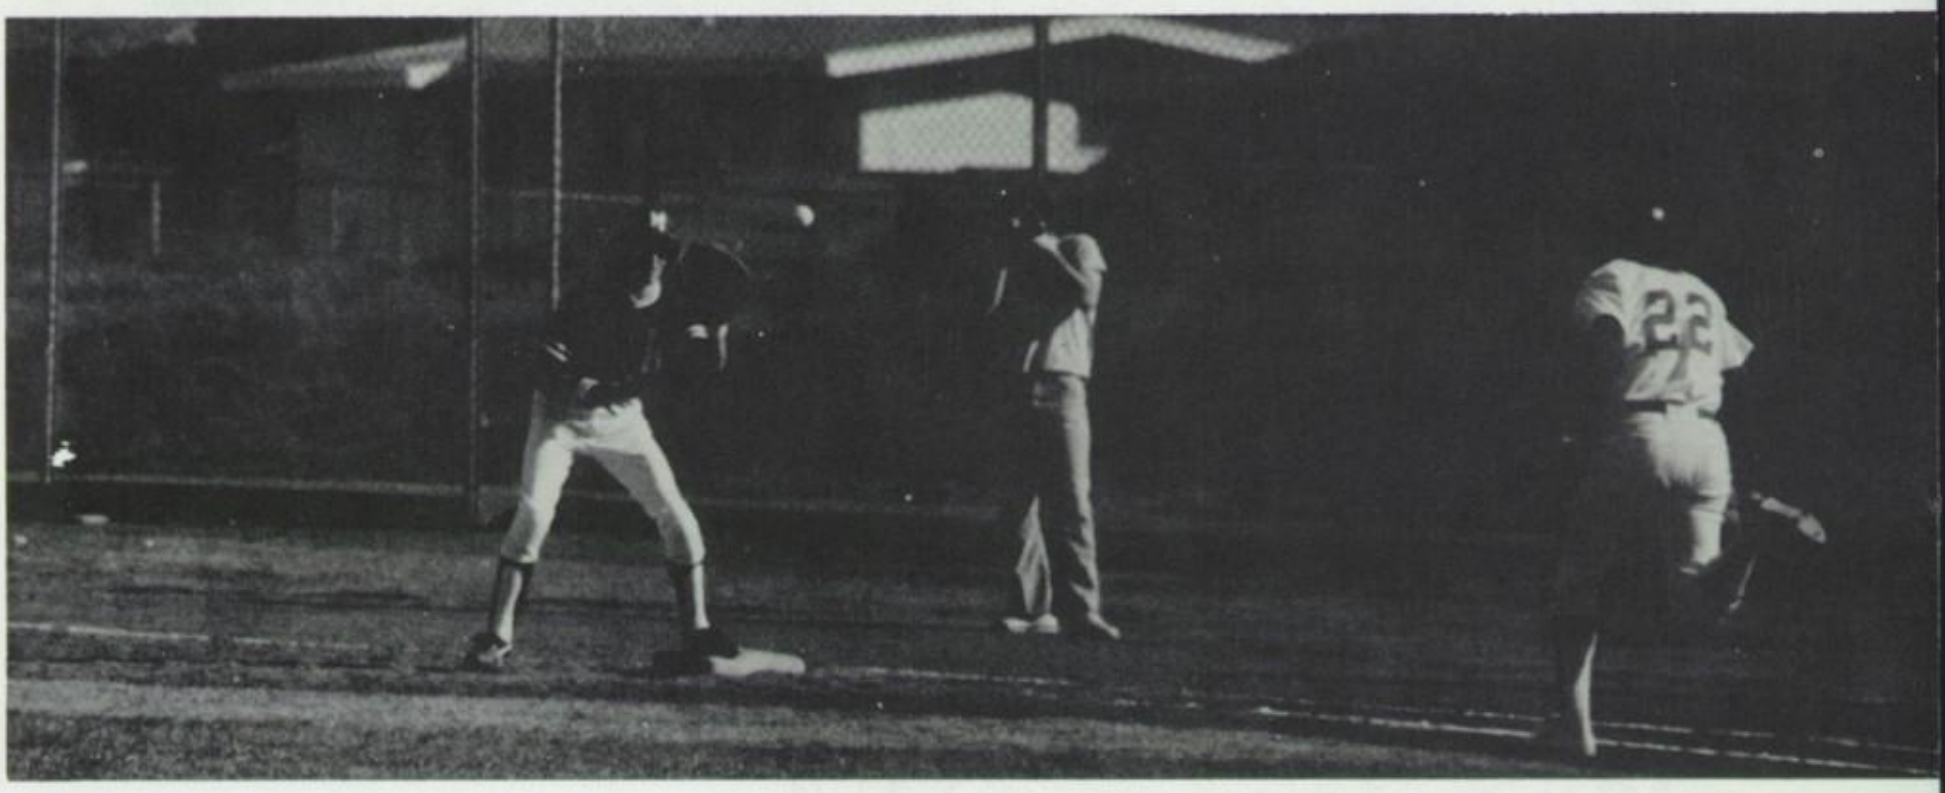
Komets Make Their Pitch For C.I.F.

Almost as certain as the coming of spring, Kearny's Baseball Program found itself finishing highly in the Eastern League. With coach Jack Taylor at the helm, the Komet Sluggers set out in '79 with the Eastern League Championship as their goal as they closed in on the C.I.F. title.

One of the main differences in this Komet team than past teams is in its strengths. Coach Taylor looks for his strengths defensively this year rather than offensively. He has 3 strong starting pitchers in David Buttles, Mike Bregante and Steve Dreher. He also looks to the bullpen for Chuck Simmons and Brian Oliver as late inning relief.

Coach Taylor was quoted as saying that their fielders were "the strongest that they have ever been, especially up the middle." The middle he refers to is shortstop Marty Hunter and 2nd baseman Danny Bear. With Joe Vattimo on first and Tom Eggert on third, the Komet infield looks very solid. Backing up the infielders are outfielders Forest Goodman, John Wynns, Brian Villeandre and Steve Williss. Rex Baker and Mike Hooper tended to the catching duties.

Of this year's varsity team, 11 of the players saw action in last year's C.I.F. semi-finals. Coach Taylor sees no reason why they can't "win it all." He also said that they were going 'all the way' this year. "I'm going to let the kids do it; under my control".



David Buttles delivers to the plate as Danny Bear watches with intense concentration.

J.V. Baseball . . . Heading Home

The overall ability and enthusiasm of the J.V. Baseball team was very impressive this season. With heads always held high, the young men worked themselves endlessly to earn themselves and their team some kind of a name.

By long hours of hard practice and games at least twice a week, their "good name" was received without further ado.

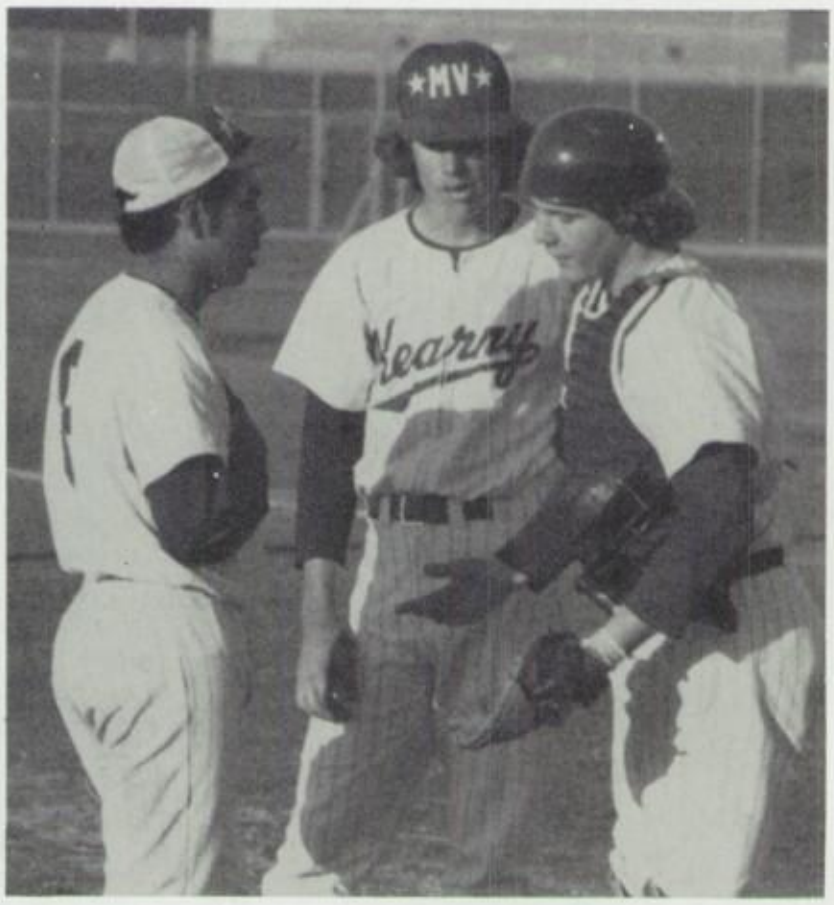
Coach McMillan had a lot to say about the excellent attitudes of the boys. They played as a whole unit, singling out no one. They were one big happy family. All with the desire to play ball.

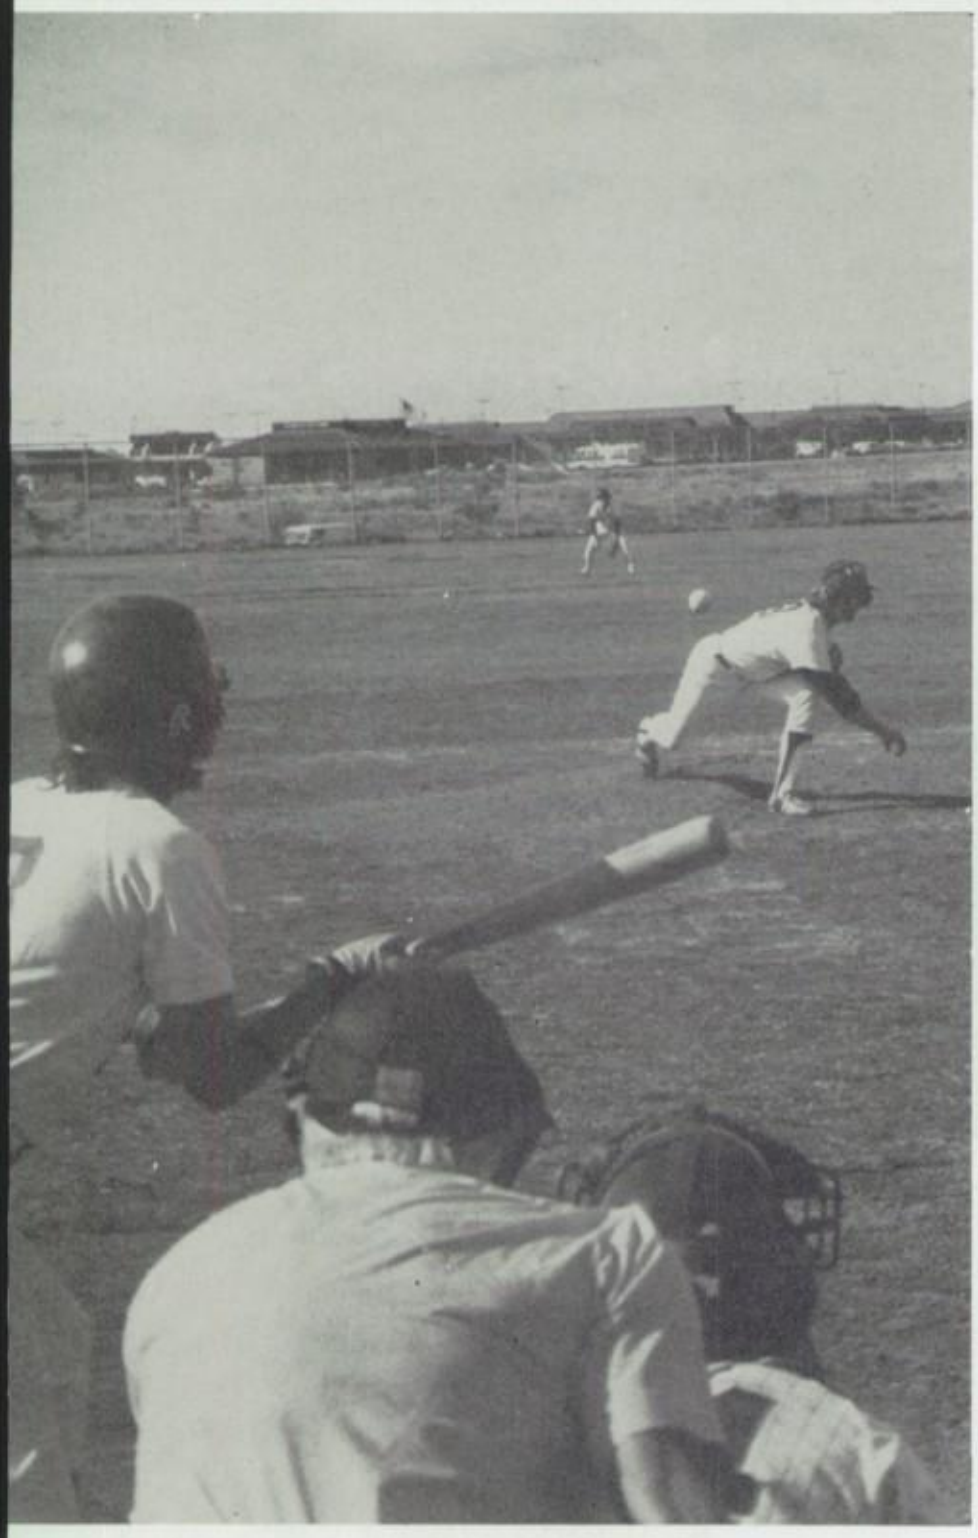
We look forward to seeing these prosperous young men next year. On the Varsity team.

Back Row: Susie Secord, Lee Kirchevel, Karl Yost, Jeff Wynns, Cameron Dube, Coach McMillan, Tom Dreher, Duane Henson, Matthew Konold, Lisa Daugherty. Middle Row: Bill Rubidoux, Bob Synder, Joe Castro, Tracy Stant, Bill Eggert, Harold McLaughlin. Front Row: Bob Losoya, Nate Marks, Jon VanDyke, Mike Montejano, Robin Baker.

Nate Marks starts his steal with a remarkably big lead off.

No. 22 runs for his life and is astonishingly called safe.





The runner is safe but Cameron Dube is right on top of things.

What would you call it? Kirchavle thinks strike.

Teammates discuss the root of the problem.

It looks like a trip for Harold McLaughlin as he prepares for a slide.

Kearny Swimming Separates The Men From The Boys

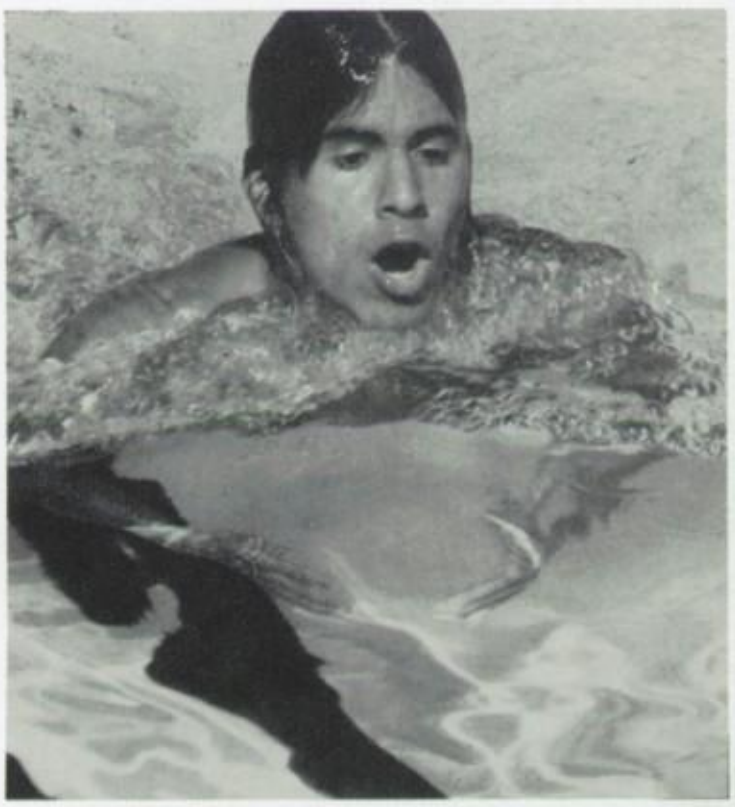
Our swim team was off to a fantastic start this year. The season was full of record breaking times and high hopes for C.I.F. finals.

The strong points were the Medley Relay team, composed of M. Durcan, K. Beckemeyer, D. Hubbell, and A. Sehlhorst: the Back Strokers, K. Weissman, M. Durcan, and M. Movius: and the Breast Strokers, A. Sehlhorst and K. Beckemeyer.

Junior Varsity was strong this season. There were many sophomores that had a lot of potential.

It's no wonder our team did so well this year, they swam twice a day and totaled over 5 miles a day. Could you do it with their style?

Var. Team: Front row: Ralph Edington, Kevin Pekkala, David Hill, Kurt Beckemeyer. Middle row: Guy Coffey, Tom Green, Kevin Weissman, Loren Albertazzi, Mike Durcan. Back row: Doug Hubbell, Mike Frisbie, Mrs. Kohr. Not Pictured: Mike Boyken, Mike Movius, Alan Sehlhorst, Brian Westre, Keith Yip, Jeff Zamora.



Two year varsity swimmer, Kurt Beckemeyer, displays his breaststroke with style.

Three year swimmer, Kevin Weissman, gives his all while concentrating on his Back Stroke.

Mike Durcan, a three year swimmer, judges precision movements and works on his form.

Freestyle swimmer, David Hill, puts his three year's experience into every stroke he takes.

Doug Hubbell, a two year varsity swimmer, does the Butterfly with all the gusto he has to offer.

A pep talk from the Coach isn't all that bad.

J.V. Team: Front row: Jeff Brown, Pat Greeson. Middle row: Bill Walsh, Joe Mackey, Mrs. Kohr, Mike Frisbie, Ed Kramer, Russell Fernandez. Back row: Dennis Boecker, Bob Infantino, Randy Melhouse. Not Pictured: Kelly Clark, Tom Prevost.

Getting ready to throw the discus, Gretchen Logan concentrates on where she will throw it.

At the end of the race, Sharon and Luci try to edge out their opponent from Serra.

Track Team Runs Into Trouble

Girls track has always been an exciting sport to watch and watching Kearny's girls track team was even more exciting because every member of the team performed magnificently against each and every school they played. This year's team had many surprising things to show us this year, Sharon Latimer (broke the shot put record twice with 35'4 and 36'3) against Serra and Crawford.

The Mile Relay Team (B. Munig, C. Sawyer, A. Moss, T. Southern) won their event against Hoover for the first time in Kearny's past history. This year's team is mostly comprised of sophomores who we hope will be returning in their Junior and Senior year. The girls started out their season very enthusiastically, ready for anything. In their first meet the girls were defeated by Serra 66-46. Their second meet they traveled to Hoover for a close win of 59-46. Soon after that they came home for a meet against Crawford, to find out to get some tough competition 72-35.

Left to Right: Back Row: B. Nash, S. Latimer, T. Dodd, J. Spencer, H. Klein, K. Nelson, P. Elijah, S. Armstrong, A. Moss, G. Logan. Middle Row: L. Lagrimas, B. Clark, C. Sawyer, J. Snow, B. Brock, J. Deadwiler, D. Hawkins. First Row: D. Whitefield, L. Ehmcke, C. Johnson, B. Munig, S. Moran, S. Fahey, T. Southern. Not Pictured: M. Landreth, G. Borgens, C. Healy, and Mrs. Douglas.

Sharon gives a fierce look before she attempts to throw the discus.

Susie looks forward as she gets ready to receive the baton from Luci.

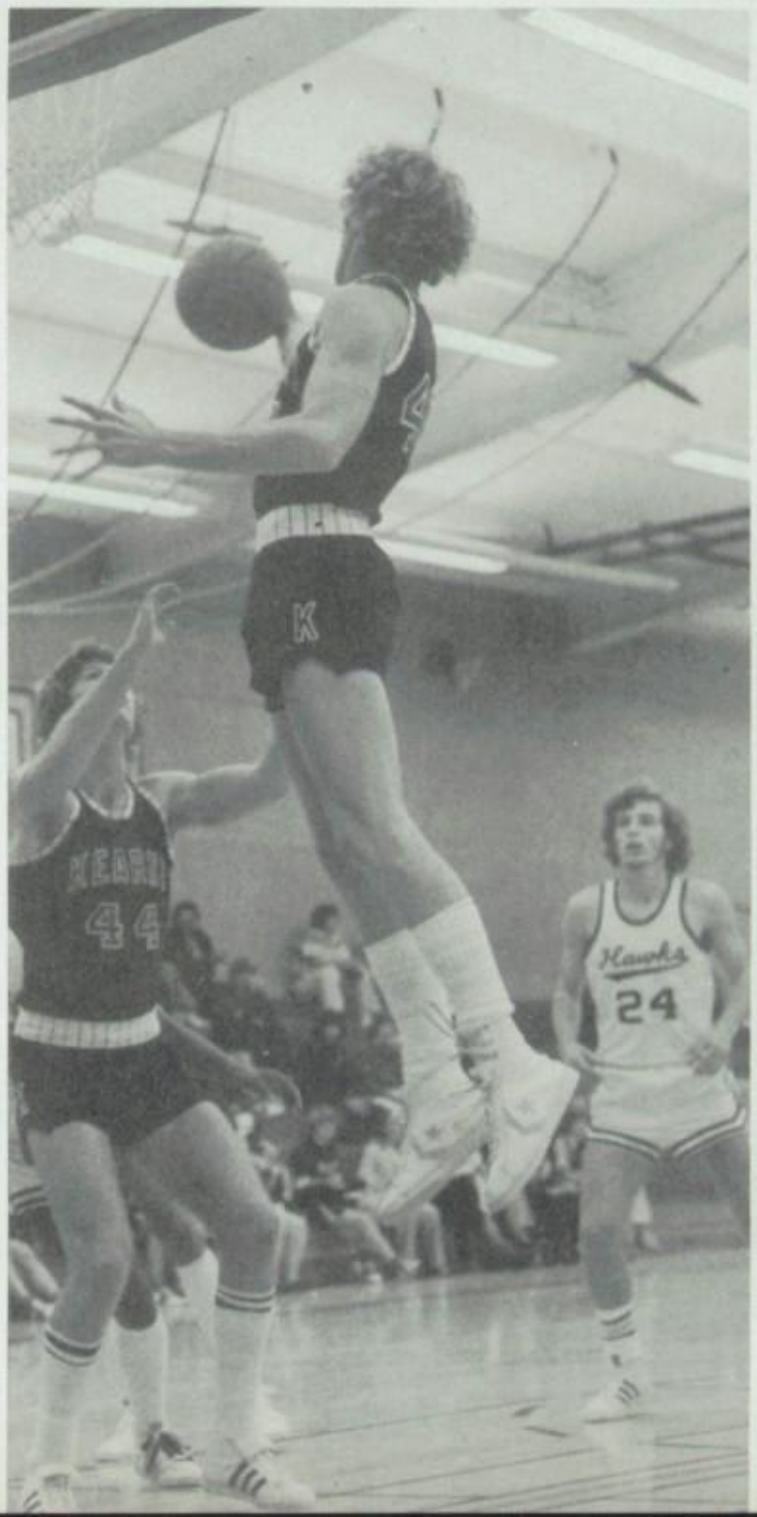
The Dynamic Dribblers

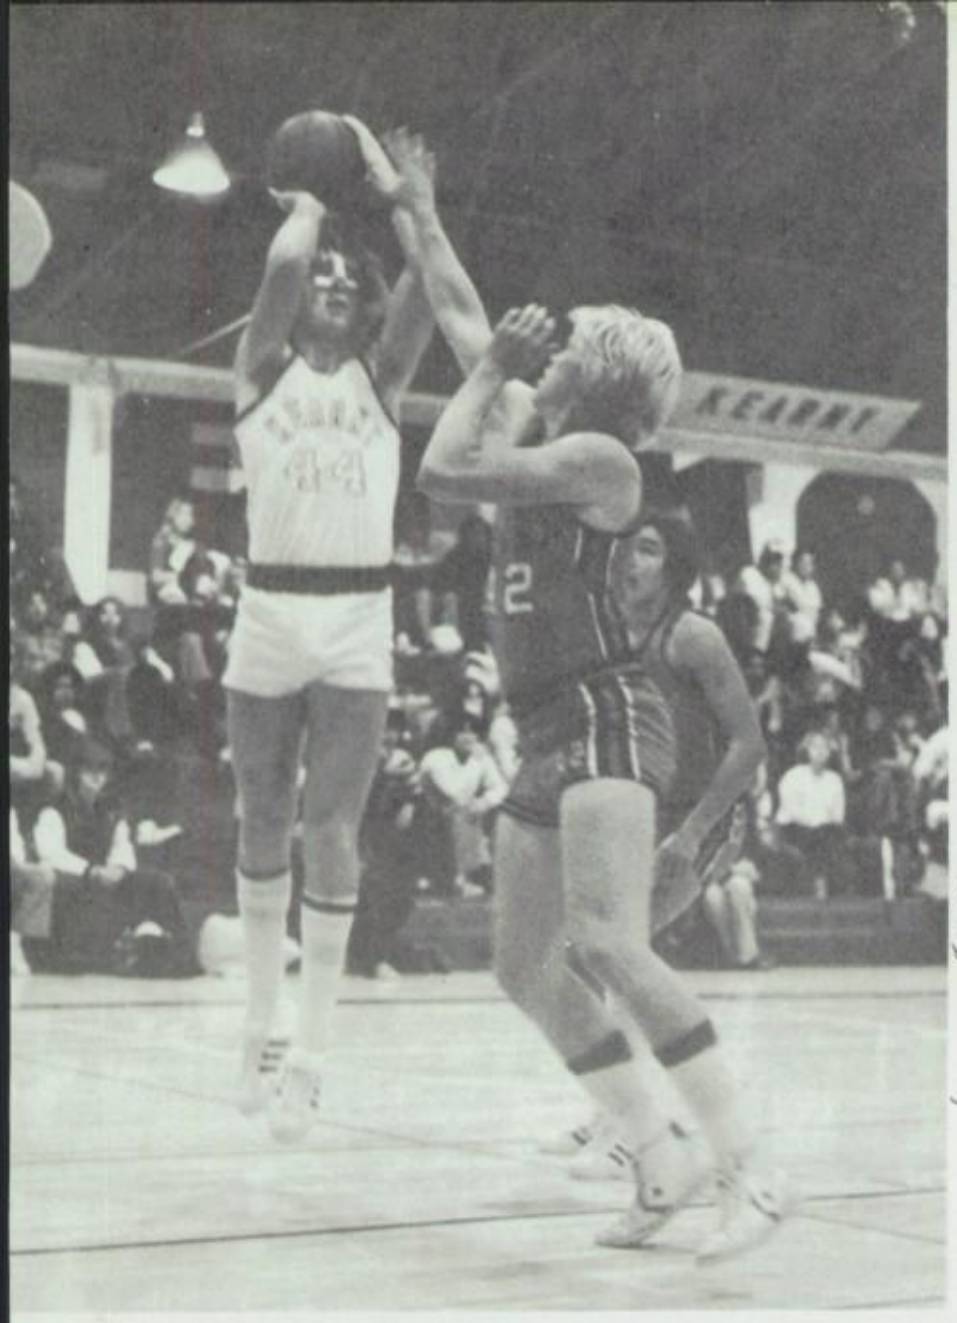
Consisting of towering hights no less than 6' and no more than 6'6", one might have said that the varsity basketball team members were all-pro "giants", with nothing out of the ordinary but superb playing by some talented young men. Ron Kirkpatrick, Ben King, and Marty Hunter, all college prospects, respectfully aided the team in their winnings.

The guys practiced approximately two hours a day under the watchful eye of Coach Short. With quickness a slight weakness, the team managed to average 76.5 points a game and almost always emerged the victor.

The team's defense was weak at the beginning, but had improved dramatically with each game.

By the end of the season we were well-assured of who was number one.





Steve,

Well it was fun during the time I met you. Eating all of your sunflower seeds, Mmm they were good.

You crack me up, Stay funny and wild, be cool and calm, maybe I'll see you at a few parties like you said, When I get my car then we'll go, So I have some transportation, well on

Komets Hoop it to CIF

The basketball team started the season on the right foot by winning 6 out of 6 non-league games. Over the Christmas holidays the hopsters played in the Kiwanis tounament. The Komets stayed unbeaten, until the semifinals where they lost to Sweetwater who was ranked #1 in the tourney. The team rebounded with a win, to capture third place. The hoopsters then traveled down Linda Vista Rd. to play in the University Tourney. They reached the semi's before falling to Hoover, but again rebounded to take third place.

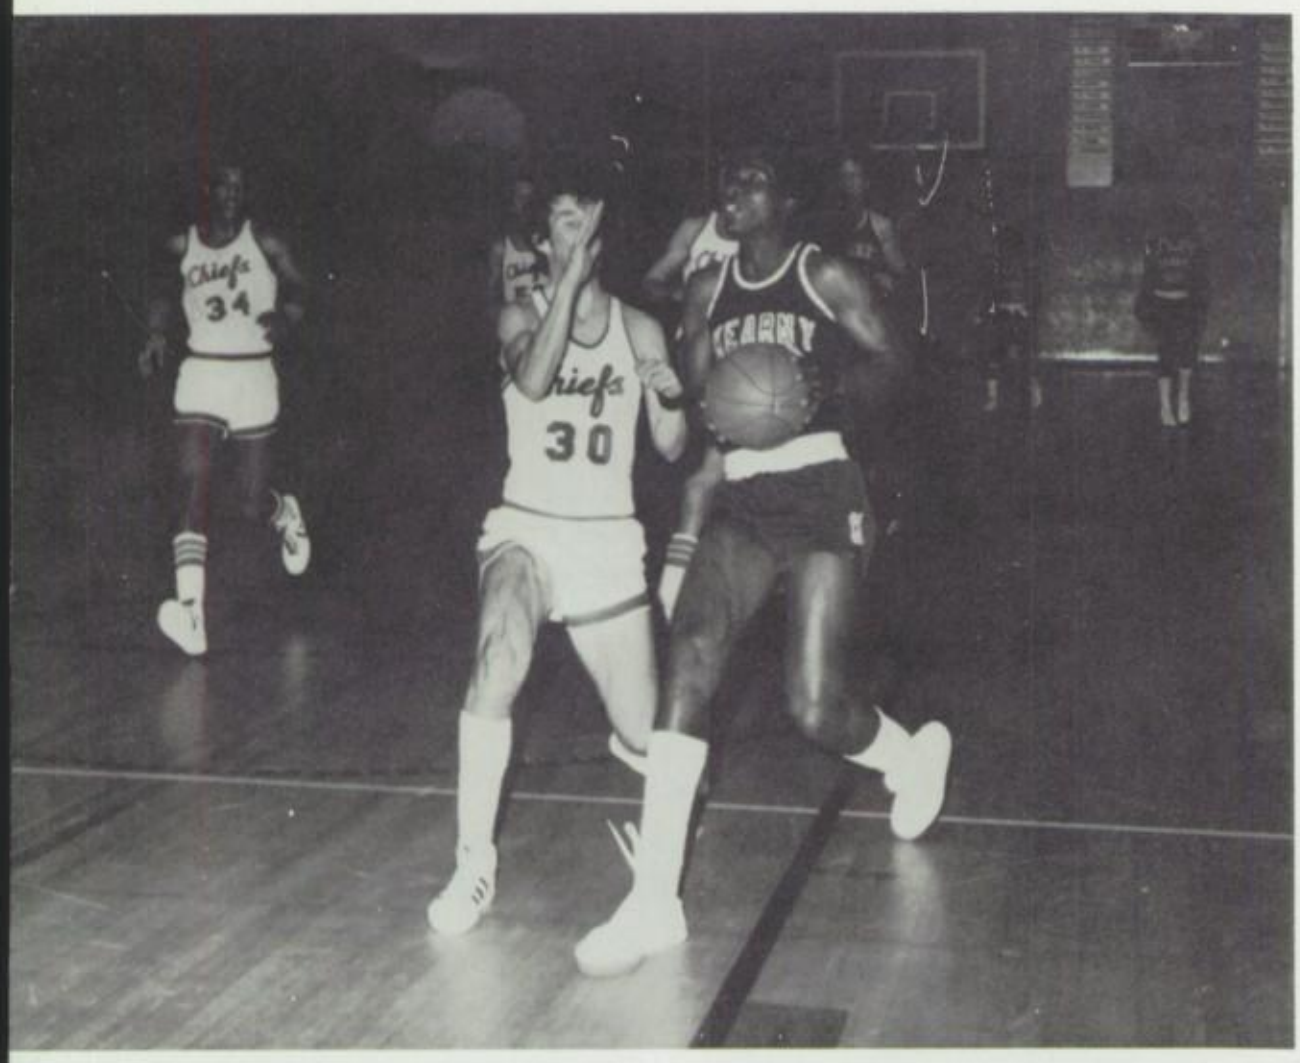
The Komets now were ready for league play, in hopes of a CIF berth. The Komets trounced their first three opponents to set up a battle for first place with top ranked Morse.

The Tigers accomplished something the last 37 teams who played at Kearny haven't—win. Morse held off a powerful Komet rally, and handed Kearny a 60-58 defeat. The Komets who were down by 20 points in the second half, cut the Tigers lead to 13 at the start of the fourth quarter. Kearny had a chance to tie the game with 5 seconds left, but the Tigers intercepted a Komet pass to ice the game. The hoopsters then reeled off four wins before falling to Henry by one. After clubbing San Diego, the Komets then faced the Tigers again, this time at Morse. The hoopsters stunned Morse 63-62 to stay one game up on Henry and one game behind Morse in the standings. The Komets finished 12-2 in league play and 24-4 overall to earn a CIF berth against Lincoln.

Skying for the ball, Ron Kirpatrick grabs one of his many rebounds against Madison.

Michael Barney tries to grab a loose ball in Kearnys victory over the Chiefs.

Ben King, a transfer student, helps the Komets subdue the Cavers as he brings in two.



Leading a fast break, Darryl Stokes gets ready to shoot for two.

Tim Stonebreaker overpowers his Madison opponent to grab a defensive rebound.

JVers Give KHS a Bright Future

The J.V. Basketball team got a new look this year with Jay Trousdale taking over as coach.

The U.V. Komets got off to a great start by winning 5 of 6 non-league games. The hoopsters took their 5-1 mark to the Poway J.V. Tournament over the Christmas break. The Komets posted wins over Orange Glen, La Jolla and Madison, taking first place. The Komets then played in the San Diego J.V. Tournament where they again proved superior by dominating Mission Bay, La Jolla and sacking host San Diego High in the championship game.

The Komets took their impressive 11-1 record into league play to invade their Eastern opponents.

With this year's experience, the J.V.ers will help keep basketball a winning tradition at Kearny.

1978-79 J.V. Komets: Front Row: Joey Castro, Johnny Flake, Clark Wisswell; Mgr., Tony Wilson. Back Row: Jay Trousdale; coach, Phil Howard, Kevin Whitfield, Dana Robinson, Larry Brown, Manuel Cummings, Bill Eggert, Ed Kwok, Paul Luster, Duane Henson, Tom Tatum.

As a Vista player tried to pass the ball, Duane Henson looks for his next move.

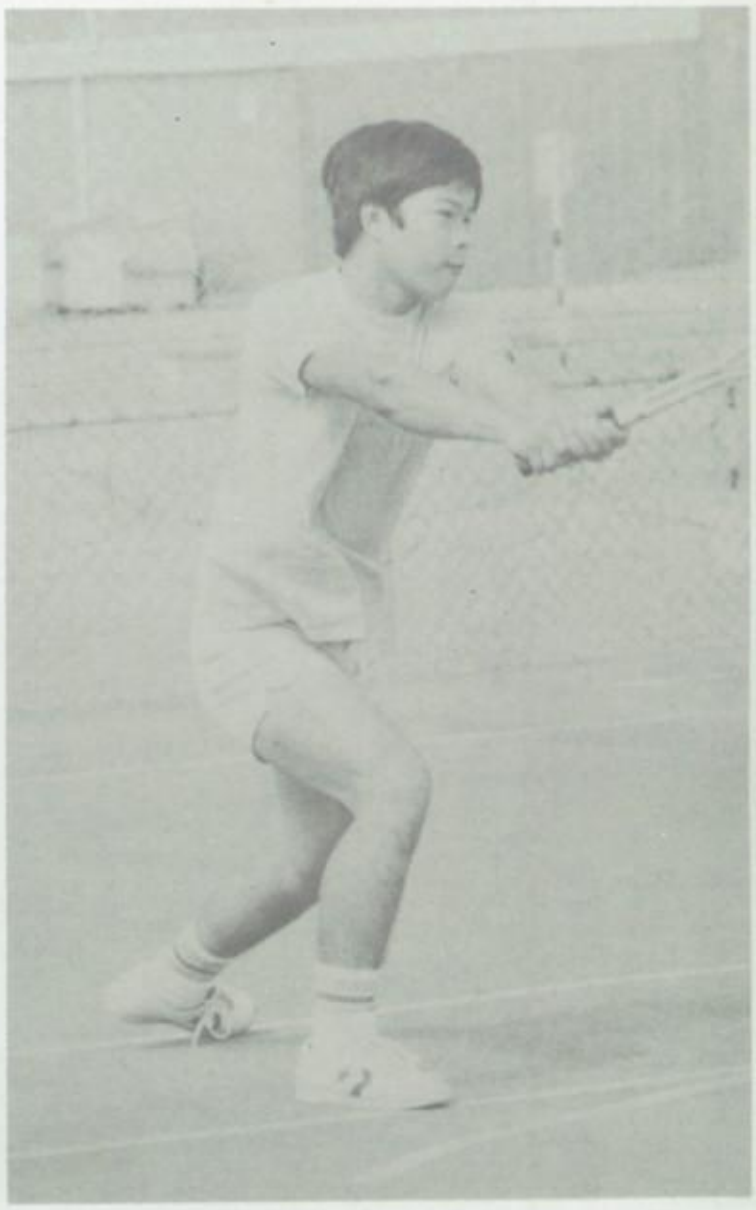
Getting the game under way, Phil Howard jumps for the tip as Komet players wait for action. Kearny went on to defeat Vista, 57-40.

Temporarily stopped, Tom Tatum puts a move on a Vista defender, hoping for an open shot.

Giving Kearny the edge on the defensive board, Phil Howard reaches for a rebound.

Searching for an open teammate, Joey Castro is halted by a Madison opponent.

With intense concentration, Trang Vo returns the ball.



Coach Janc discusses the game with his players.

Allen Steck demonstrates his forehand.

Jim O'Hanlin returns the serve.

Boy's Tennis Team Rallies On

This year, Kearny's Tennis Team was inexperienced in competition. Under their new head coach Al Janc, the team, which consisted of mainly sophomores, is a very young, but tough group who had hoped that their hard work and long hours of practicing the first half of the season would pay off in the second round of play.

Coach Al Janc hoped that with such a young team, one home field advantage would be the condition of the courts, which he considers of poor quality. He also hoped that his many years experience and knowledge of the game would be an asset to the team.

With very few returning players, he feels that if they can have a .500 season, they would have played very well. He also forsees tough competition from Point Loma, Patrick Henry and Crawford.

Clark Wisswell powers a serve.

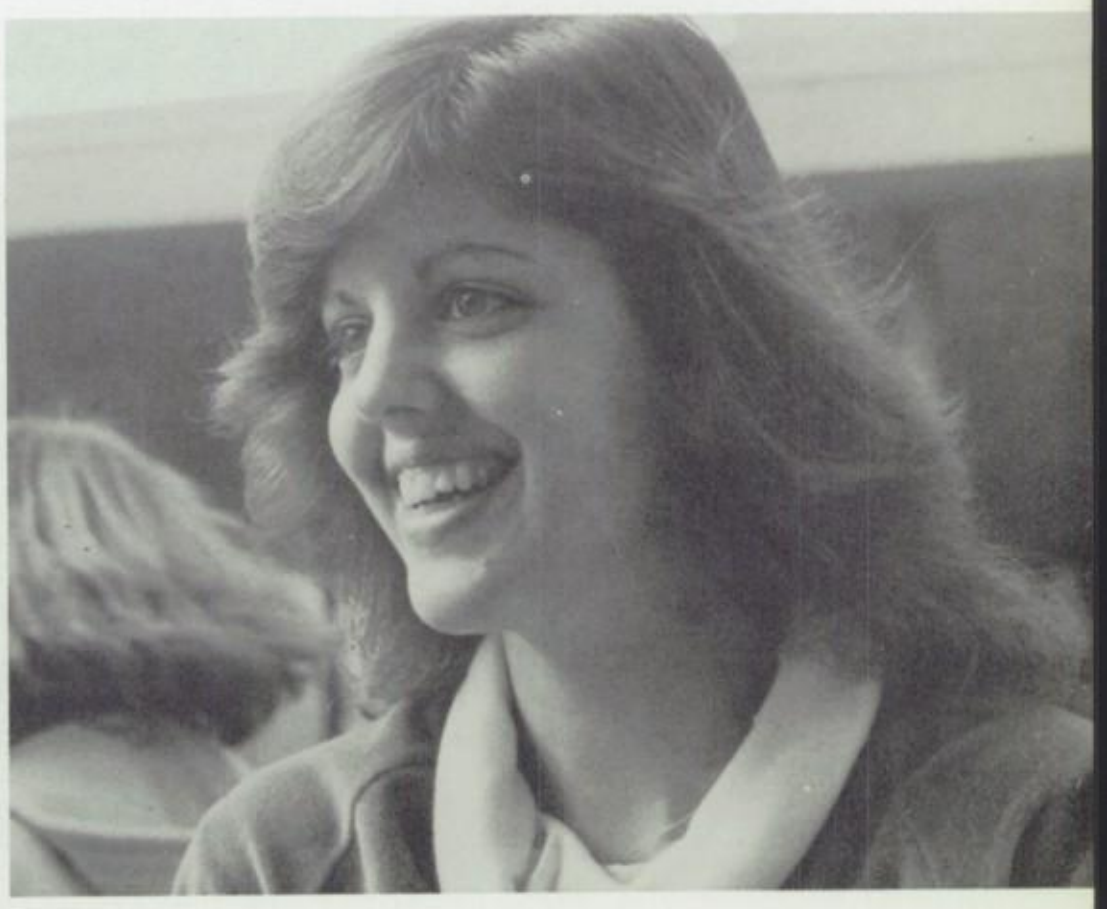
Success is Attaining a Goal

The theme of this book has to do with setting a direction to go and following it to success. Having a goal to work for is a major part of being a success. Set your goals to work for and tell yourself that you will achieve them.

Confidence in yourself plays an important role in working for goals. To start out with, set short range goals that can be easily attained. Plan what you want to accomplish this week and when you get all those thing done, you'll feel very successful and will be ready to work for something bigger. Write your goals down and look at your list frequently, reminding yourself of the things you are going to achieve. Achievement will elevate your enthusiasm and you'll want to get started on your future right away.

Success won't come easy. It must be something you really want. When you plan out the path you are going to follow, make it a flexiable road. If problems arise that changes your plans, allow for them and work around them. Change the path, not the goal!

Work hard toward your goals. Tell yourself everyday that you can achieve whatever you want. Your limitations are only what you think they are.



Senior Jackie Dillenbeck looks forward to graduation, but remembers all the good times she had at Kearny.

You are what you think you are!

All day long!

When working towards your goals, take enough time out to look at the flowers.

Students wait for rides home after another busy day at school.

A lot of students ride the bus to school. These students are waiting for the one that arrives at 2:46.
